

§ 31309. Commercial driver's license information system

How Current is This?

(a) General Requirement.— The Secretary of Transportation shall maintain an information system that will serve as a clearinghouse and depository of information about the licensing, identification, and disqualification of operators of commercial motor vehicles. The system shall be coordinated with activities carried out under section 31106. The Secretary shall consult with the States in carrying out this section.

(b) Contents.—

(1) At a minimum, the information system under this section shall include for each operator of a commercial motor vehicle—

(A) information the Secretary considers appropriate to ensure identification of the operator;

(B) the name, address, and physical description of the operator;

(C) the social security account number of the operator or other number or information the Secretary considers appropriate to identify the operator;

(D) the name of the State that issued the license to the operator;

(E) the dates between which the license is valid; and

(F) whether the operator had a commercial motor vehicle driver's license revoked, suspended, or canceled by a State, lost the right to operate a commercial motor vehicle in a State for any period, or has been disqualified from operating a commercial motor vehicle.

(2) The information system under this section must accommodate any unique identifiers required to minimize fraud or duplication of a commercial driver's license under section 31308 (2).

(c) Availability of Information.— Information in the information system shall be made available and subject to review and correction in accordance with the policy developed under section 31106 (e).

(d) Fee System.— The Secretary may establish a fee system for using the information system. Fees collected under this subsection in a fiscal year shall equal as nearly as possible the costs of operating the information system in that fiscal year. The Secretary shall deposit fees collected under this subsection in the Highway Trust Fund (except the Mass Transit Account).
