GRANTS TO STATES

49 USC 2302

Sec. 402. (a) Under the terms and conditions of this section, subject to the availability of funds, the Secretary is authorized to make grants to States for the development or implementation of programs for the enforcement of Federal rules, regulations, standards, and orders applicable to commercial motor vehicle safety and compatible State rules, regulations, standards, and orders.

Enforcement plan.

(b)(1) The Secretary shall formulate procedures for any State to submit a plan whereby the State agrees to adopt, and to assume responsibility for enforcing Federal rules, regulations, standards, and orders applicable to commercial motor vehicle safety, or compatible State rules, regulations, standards, and orders. Such plan shall be approved by the Secretary if, in the Secretary's judgment, the plan is adequate to promote the objectives of this section, and the plan—

Plan objectives.

(A) designates the State motor vehicle safety agency responsible for administering the plan throughout the State;

(B) contains satisfactory assurances that such agency has or will have the legal authority, resources, and qualified personnel necessary for the enforcement of such rules, regulations, standards, and orders;

(C) gives satisfactory assurances that such State will devote adequate funds to the administration of such plan and enforcement of such rules, regulations, standards, and orders;

Continuing evaluation.

Disapproval notice.

Judicial review.

5 USC 701 et seq.

(c) The Secretary shall, on the basis of reports submitted by the State agency, and on the Secretary's own inspections, make a continuing evaluation of the manner in which each State with a plan approved under this section is carrying out such plan. Whenever the Secretary finds, after affording due notice and opportunity for comment, that a State plan previously approved is not being followed or that it has become inadequate to assure the enforcement of Federal rules, regulations, standards, or orders applicable to commercial motor vehicle safety or compatible State rules, regulations, standards, or orders, he shall notify the State of withdrawal of approval of such plan. Upon receipt of such notice such plan shall cease to be in effect. Any State aggrieved by a determination of the Secretary pursuant to this subsection may seek judicial review pursuant to chapter 7 of title 5, United States Code. The State may, however, retain jurisdiction in any administrative or judicial enforcement proceeding commenced before the withdrawal of the plan whenever the issues involved do not directly relate to the reasons for the withdrawal of approval of the plan.

(d) The Secretary shall not approve any plan under this section which does not provide that the aggregate expenditure of funds of the State and political subdivisions thereof, exclusive of Federal funds, for commercial motor vehicle safety programs will be maintained at a level which does not fall below the average level of such expenditure for its last two full fiscal years preceding the date of enactment of this section.

FEDERAL SHARE OF COSTS

49 USC 2303.

Sec. 403. By grants authorized under this part, the Secretary shall reimburse any State an amount not to exceed 80 per centum of the costs incurred by that State in that fiscal year in the development and implementation of programs to enforce commercial motor vehicle rules, regulations, standards, or orders adopted pursuant to this title. The funds of the State and political subdivisions thereof which are required to be expended under section 402(d) of this title shall not be considered to be part of the non-Federal share. The Secretary is authorized to allocate, among the States whose applications for grants have been approved, those amounts appropriated for grants to support such programs, pursuant to such criteria as may be established.
