**PART I.—GENERAL INFORMATION**

The questions in this questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible. Public reporting burden for this questionnaire is estimated to average 40 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

I-1a. **OMB statistics.**--Please report below the actual number of hours required and the cost to your firm of preparing the reply to this questionnaire and completing the form.

**II-3. Purchases before and after order.--**

- (a) Did your firm purchase barium chloride from China before 1984?
- No--skip to (c)       Yes
- (b) If yes, has your pattern of purchasing barium chloride from China changed since 1984?
- No, our pattern of purchasing is essentially unchanged.  
 Yes, we discontinued purchases from China because of the order.  
 Yes, we reduced purchases from China because of the order.  
 Yes, but we changed the pattern of purchases from China for reasons other than the order (please explain below).
- (c) Has your pattern of purchasing barium chloride from nonsubject foreign sources (i.e., countries other than China) changed since 1984.
- We did not purchase from nonsubject foreign sources before or after the order.  
 No, our pattern of purchasing is essentially unchanged.  
 Yes, we increased purchases from nonsubject countries because of the order.  
 Yes, but we changed our pattern of purchases from nonsubject countries for reasons other than the order (please explain below).

II-4. **Changes in purchasing patterns.**--If the relative levels of your firm's purchases of barium chloride from different sources (both domestic and foreign) have changed since 1984 (the year the antidumping duty order under review became effective), please list the relative share from that country has increased or decreased, and state the reason.
