**PRICE DATA**

This section requests quarterly price and quantity data, f.o.b. your U.S. point of shipment, for your commercial shipments to unrelated U.S. customers from January 2004-December 2009 of two of the following four products you imported from China, **NOT INCLUDING PRODUCT IMPORTED FROM MARKOR AND LACQUER CRAFT.**

If you are a distributor and the products are imported and resold, please check the box for "sales" and report your quarterly **f.o.b. SALES** price data for the pricing products below. If you are a retailer, please check the box for "purchases" and report your quarterly **delivered PURCHASE** price data.

**Please provide as separate attachments to this page clear pictures of the specified products in the following wooden bedroom furniture suites.**

**Report separately for the two largest (by 2009 value) specified wooden bedroom furniture products for the periods requested on the following pages.**

**Each specified product in its entirety is considered a single piece of furniture. For instance, a complete bed frame, consisting of a specified headboard, footboard, and side rails is considered a single piece; a complete dresser is a single piece; a complete mirror (sold with the specified dresser) is a single piece, and a complete nightstand is a single piece.**

**Please note that total dollar values for sales price data should be f.o.b., U.S. point of shipment and should not include U.S.-inland transportation costs, and dollar values for purchase price data should be landed duty-paid. Total dollar values for SALES price data should reflect the *final net* amount paid to you (i.e., should be net of all discounts, allowances, rebates, prepaid freight, and the value of returned goods), and total dollar values for PURCHASE values should reflect the final net amount paid by you. See instruction booklet.**
