U.S. PRODUCERS' QUESTIONNAIRE

CERTAIN PASSENGER VEHICLE AND LIGHT TRUCK TIRES FROM CHINA

This questionnaire must be received by the Commission by no later than May 7, 2009

See page 4 of the Instruction Booklet for filing instructions.

The information called for in this questionnaire is for use by the United States International Trade Commission in connection with its market disruption investigation concerning certain passenger vehicle and light truck tires (subject tires) from China (Inv. No. TA-421-7) under section 421(b) of the Trade Act of 1974 (the Act). The information requested in the questionnaire is requested under the authority of section 421 of the Act. This report is mandatory and failure to reply as directed can result in a subpoena or other order to compel the submission of records or information in your possession (19 U.S.C. § 1333(a)).

PART I.—GENERAL INFORMATION

Public reporting burden for this questionnaire is estimated to average 50 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

Please report below the actual number of hours required and the cost to your firm of preparing the reply to this questionnaire and completing the form.
