PART I.--GENERAL INFORMATION

The questions in this questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible. Public reporting burden for this questionnaire is estimated to average 30 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

I-1a. **OMB statistics.**--Please report below the actual number of hours required and the cost to your firm of preparing the reply to this questionnaire and completing the form.

_____hours _____dollars

I-1b. **OMB feedback.**--We are interested in any comments you may have for improving this questionnaire in general or the clarity of specific questions. Please attach such comments to your response or send them to the above address.

I-2. **Establishments covered.**--Provide the name and address of establishment(s) covered by this questionnaire (see page 3 of the instruction booklet for reporting guidelines). If your firm is publicly traded, please specify the stock exchange and trading symbol.

I-3. **U.S. Importers.**--Please provide the names, street addresses (not P.O. boxes), contacts, telephone numbers, and e-mail addresses of the **FIVE** largest U.S. importers of your firm's ironing tables in 2009.

II-15. **Reconciliation of trade data.**—

- (a) The quantities reported in question II-14 should reconcile as follows in each period (*i.e.*, in each column):

Reconciliation

$B + C - D - E - G - I - K - M = Q$ Do these data reconcile? Yes No--Please explain: _____

- (b) Further, the quantities reported for end-of-period inventories should equal the beginning-of-period inventories reported in the subsequent calendar year (*i.e.*, line Q of year 2004 should equal line B of year 2005). Do these data reconcile for each adjacent calendar year?

Yes. No--Please explain:

- II-16. **Exports of parts.**--Since January 1, 2004, has your firm exported metal parts or unassembled ironing tables for sale?

No Yes—**Please contact the investigator, Jennifer Merrill (202-205-3188, Jennifer.merrill@usitc.gov).**

PART III.--MARKET FACTORS

Further information on this part of the questionnaire can be obtained from **Gerry Benedick (202-205-3244, gerald.benedick@usitc.gov)**.

III-1. **Contact information.**--Who should be contacted regarding the requested market factors information?

Company contact: _____
 Name and title
 () _____
 Phone number E-mail address

III-2. **Length of sales period.**--Please estimate below the share of your firm's shipment quantity of its Chinese-produced ironing tables during 2009 to each of the country categories shown below that was on a (1) long-term basis (multiple deliveries for more than 12 months after the sales agreement), (2) short-term basis (multiple deliveries up to and including 12 months), and (3) spot sales basis (usually one-time delivery, within 30 days of the sales agreement). The three different sales bases include both verbal agreements and written contracts.

III-8. **Availability of Chinese import supply.**—

(a) Do you anticipate any changes in terms of the availability of your Chinese-produced ironing tables in the U.S. market in the future?

Increase No change Decrease

(b) If you anticipate changes in supply, please identify the changes, including the time period and the impact of such changes on shipment volumes and prices. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

III-9. **Product shifting.**--Describe how easily your firm can shift its sales of ironing tables between the U.S. market and alternative country markets. In your discussion, please describe any contracts, other sales arrangements, or other constraints (including any third-country trade barriers such as tariffs, quotas, or other non-tariff barriers) that would prevent or retard your firm from shifting ironing tables between the U.S. and alternative country markets within a 12-month period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

III-10. **Product changes.**--Is the product range, product mix, or marketing (including sales over the internet) of ironing tables in your home market significantly different from the product range, product mix, or marketing of ironing tables for export to the United States or to third-country markets? In addition, have there been any significant changes in the product range, product mix, or marketing of ironing tables in your home market, for export to the United States, or for export to third-country markets since 2004?

No Yes--Please describe and quantify if possible.
