ANSWER FOR EACH ESTABLISHMENT: _____

PART III.--FINANCIAL INFORMATION

Address questions on this part of the questionnaire to John Ascienzo (202-205-3175, john.ascienzo@usitc.gov).

Responses to questions in this part of the questionnaire should reflect the operations of discrete rebar operations (in other words, provide a separate response for each establishment (plant) listed in question I.2). Questions III-6 through III-9 (inputs from related parties), III-11 (income statement), III-12 (balance sheet), and III-13 (capital expenditures and research and development expenses) should, as appropriate, also include the allocation of relevant financial information maintained at other (non plant-specific) levels within the company.

Establishment (plant) for which data are being reported: _____

III-1. Who should be contacted regarding the requested financial information?

Company contact: _____
Name and title

() _____
Phone number E-mail address

III-2. Please provide answers to the following questions about your financial accounting system.

- A. When does your fiscal year end (month and day)? _____
If your fiscal year changed during the period examined, explain below:

- B.1. Describe the lowest level of operations (e.g., plant, division, company-wide) for which financial statements are prepared that include rebar:

- 2. Does your firm prepare profit/loss statements for rebar:
 Yes No
- 3. How often did your firm (or parent company) prepare financial statements (including annual reports, 10Ks)? Please check relevant items below.
 Audited, unaudited, annual reports, 10Ks, 10 Qs,
 Monthly, quarterly, semi-annually, annually
- 4. Accounting basis: GAAP, cash, tax, or other comprehensive (specify) _____

Note: The Commission may request that your company submit copies of its financial statements, including internal profit-and-loss statements for the division or product group that includes rebar, as well as those statements and worksheets used to compile data for your firm's questionnaire response.

III-3. Briefly describe your plant's cost accounting system (e.g., standard cost, job order cost, etc.).

PART III.--FINANCIAL INFORMATION--Continued

III-4. Briefly describe your plant's allocation basis, if any, for COGS, SG&A, and interest expense and other income and expenses.

III-5. Other products. --Please list any other products you produced in the plant in which you produced rebar, and provide the share of net sales accounted for by these other products in your most recent fiscal year:

<u>Products</u>	<u>Share of sales</u>
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____

III-6. Does the plant receive inputs (raw materials, labor, energy, or any other services) used in the production of rebar from any related company?

Yes—Continue to question III-7 below No—Continue to question III-10 below

III-7. In the space provided below, identify the inputs used in the production of rebar that the plant receives from related parties.

<u>Input</u>	<u>Related party</u>
_____	_____
_____	_____
_____	_____
_____	_____

PART III.--FINANCIAL INFORMATION--Continued

III-8. With respect to the related companies identified in response to question III-7 above, are their financial statements consolidated with your firm's financial statements? (In other words, are profits or losses arising from intercompany transactions eliminated?)

Yes—Continue to question III-9 below. No—Continue to question III-10 below.

III-9. All intercompany profits/losses on inputs purchased from related parties that is eliminated pursuant to formal financial statement consolidation should also be eliminated from the costs reported to the Commission in question III-11 (i.e., costs reported in question III-11, to the extent that they reflect inputs purchased from related parties, should only reflect the related party's cost and not include an associated profit or loss component). Reasonable methods for determining and eliminating the associated profit/loss on inputs purchased from related parties are acceptable. Please note that footnote 2 in question III-11 requests the actual amounts of intercompany profits/losses eliminated.

Has your firm complied with the Commission's instructions regarding costs associated with inputs purchased from related parties?

Yes No—Please contact John Ascienzo (202-205-3175, john.ascienzo@usitc.gov).

III-10. Nonrecurring charges.--For each annual and interim period for which financial results are reported in question III-11, please indicate in the schedule below the specific nonrecurring charges, the particular expense/cost line items from question III-11 where the associated charges are included, a brief description of the charges, and the associated values (*in \$1,000*). Nonrecurring charges would include, but are not limited to, items such as asset write-offs and accelerated depreciation due to restructuring of the company's rebar operations.

_____	_____
_____	_____

IV-13. Have there been any changes in the end uses of rebar since 2002?

- No Yes—Please describe.

IV-14. Do you anticipate any changes in terms of the end uses of rebar in the future?

- No Yes--Please describe and identify the time period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

IV-15. (a) Can other products be substituted for rebar?

- No Yes--Please list these substitute products in order of importance.

(1) _____ (2) _____ (3) _____

(b) For each possible substitute product, please give examples of applications and end uses for which they are substitutes.

PART IV.--PRICING AND MARKET FACTORS--Continued

IV-15. (c) Have changes in the prices of these products affected the price for rebar?

- No Yes--To what degree do changes in their prices affect the price for rebar? Does this effect have a time lag? If so, how long is the time lag for each substitute product? Does this vary by type of rebar or final end use?

IV-16. Have there been any changes in the number or types of products that can be substituted for rebar since 2002?

- No Yes—Please explain.

IV-17. Do you anticipate any changes in terms of the substitutability of other products for rebar in the future?

- No Yes—Please describe. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

IV-18. To what extent have changes in the prices of raw materials affected your firm's selling prices for rebar since 2002? Also discuss any anticipated changes in your raw material costs in the future, identifying the time period(s) involved and the factor(s) that you believe would be responsible for such changes. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

PART IV.--PRICING AND MARKET FACTORS--Continued

IV-19. Have any changes occurred in any other factors affecting supply (e.g., changes in availability or prices of energy or labor; transportation conditions; production capacity and/or methods of production; technology; export markets; or alternative production opportunities) that affected the availability of U.S.-produced rebar in the U.S. market since 2002?

- No Yes--Please note the time period(s) of any such changes, the factors(s) involved, and the impact such changes had on your shipment volumes and prices.

IV-20. (a) Do you anticipate any changes in terms of the availability of U.S.-produced rebar in the U.S. market in the future?

- Increase No change Decrease

(b) If you anticipate changes in supply, please identify the changes, including the time period and the impact of such changes on shipment volumes and prices. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

IV-21. Has the availability of NONSUBJECT imported rebar changed since 2002?

- No Yes--Please explain.

IV-22. Describe how easily your firm can shift its sales of rebar between the U.S. market and alternative country markets. In your discussion, please describe any contracts, other sales arrangements, or other constraints that would prevent or retard your firm from shifting rebar between the U.S. and alternative country markets within a 12-month period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

IV-23. Have there been any significant changes in the product range, product mix, or marketing (including sales over the internet) of rebar since 2002?

- No Yes--Please describe and quantify if possible.

IV-25. (c) How has demand **outside** the United States if known for rebar changed since 2002?

- Increased No change Decreased Unknown

What principal factors affect changes in demand?

IV-26. Do you anticipate any future changes in rebar demand in the United States and, if known, the rest of the world?

- No Yes--Please describe and identify the time period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

IV-27. Please compare market prices of rebar in U.S. and non-U.S. markets, if known. Provide specific information as to time periods and regions for any price comparisons.

IV-28. Please provide as a separate attachment to this request any studies, surveys, etc. that you are aware of that quantify and/or otherwise discuss rebar supply (including production capacity and capacity utilization) and demand in (1) the United States, (2) each of the other major producing/consuming countries, including Turkey, and (3) the world as a whole. Of particular interest is such data from 2002 to the present and forecasts for the future.

PART IV.--PRICING AND MARKET FACTORS--Continued

IV-29. Are your exports of rebar subject to any tariff or non-tariff barriers to trade in other countries?

- No Yes--Please list the countries and describe any such barriers and any significant changes in such barriers that have occurred since 2002, or that are expected to occur in the future.

IV-30. Does your firm sell rebar over the internet?

- No Yes--Please describe, noting the estimated percentage of your firm's total sales of rebar in 2007 accounted for by internet sales.

IV-31. Please provide the percent (based on quantity) of your firm's sales of rebar in 2007 to the following markets that were made in conjunction with "Buy American" provisions? Sales within the specified region. _____ percent. Sales outside the specified region. _____ percent. Has the percentage of sales made in conjunction with "Buy American" provisions increased, decreased, or remained the same since 2002? If there has been a change, please discuss. Also, please discuss whether your sales of rebar under "Buy American" provisions are of any particular sizes of rebar (and if so, please specify the sizes). Attach additional pages as necessary.

PART IV.--PRICING AND MARKET FACTORS--Continued

IV-33. Are differences other than price (*i.e.*, quality, availability, transportation network, product range, technical support, *etc.*) between rebar produced in the United States and in other countries a significant factor in your firm's sales of the products? Please indicate below, using "A" to indicate that such differences are *always* significant, "F" to indicate that such differences are *frequently* significant, "S" to indicate that such differences are *sometimes* significant, "N" to indicate that such differences are *never* significant, and "0" to indicate *no familiarity* with products from a specified country-pair.¹
