PART I.--GENERAL QUESTIONS

The questions in this questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible. Public reporting burden for this questionnaire is estimated to average 30 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

I-1. (a) Please report below the actual number of hours required and the cost to your firm of preparing the reply to this questionnaire and completing the form.
_____ hours _____ dollars

I-1. (b) We are interested in any comments you may have for improving this questionnaire in general or the clarity of specific questions. Please attach such comments to your response or send them to the above address.

I-2. Provide the name and address of establishment(s) covered by this questionnaire (see page 3 of the instruction booklet for reporting guidelines). If your firm is publicly traded, please specify the stock exchange and trading symbol.

I-3. Is your firm owned, in whole or in part, by any other firm?

No Yes--List the following information.

- No Yes--Please describe and identify the time period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

PART III.--MARKET CHARACTERISTICS AND PURCHASING PRACTICES--Continued

III-7. (a) Can other products be substituted for rebar?

No Yes--Please list these substitute products in order of importance.

(1) _____ (2) _____ (3) _____

(b) For each possible substitute product, please give examples of applications and end uses for which they are substitutes.

(c) Have changes in the prices of these products affected the price for rebar?

No Yes--Please explain.

III-8. Have there been any changes in the number or types of products that can be substituted for rebar since 2002?

No Yes--Please explain.

III-9. Do you anticipate any changes in terms of the substitutability of other products for rebar in the future?

No Yes--Please describe. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

PART III.--MARKET CHARACTERISTICS AND PURCHASING PRACTICES--Continued

III-10. (a) How has demand within the specified region for rebar changed since 2002?

- Increased Unchanged Decreased
- Other (describe) _____

What were the principal factors affecting changes in demand?

(b) How has demand within the entire United States for rebar changed since 2002?

- Increased Unchanged Decreased
- Other (describe) _____

What were the principal factors affecting changes in demand?

(c) How has demand outside the United States for rebar changed since 2002?

- Increased Unchanged Decreased
- Other (describe) _____

What were the principal factors affecting changes in demand?

III-11. Do you anticipate any future changes in rebar demand in the United States and, if known, the rest of the world?

- No Yes--Please describe and identify the time period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.
- _____
- _____

III-12. Please provide as separate attachments to this request any studies, surveys, etc., that you are aware of that quantify and/or otherwise discuss rebar demand and/or factors affecting rebar demand in the (1) United States, (2) each of the major producing/ consuming countries, including those subject to this review, and (3) the world as a whole. Of particular interest is such data on an annual basis from 2002 to the present and forecasts of these demand data.

PART III.--MARKET CHARACTERISTICS AND PURCHASING PRACTICES--Continued

III-13. Have any changes occurred in any factors affecting supply (e.g., changes in availability or prices of raw materials, energy or labor; transportation conditions; production capacity and/or methods of production; technology; export markets; or alternative production opportunities) that affected the availability of U.S.-produced rebar in the U.S. market since 2002?

- No Yes--Please note the time period(s) of any such changes, the factors(s) involved, and the impact such changes had on your shipment volumes and prices.
-
-

III-14. Is buying a product that is produced in the United States an important factor in your firm's purchases of rebar (please check ALL that apply)?

- No
- Yes--Purchases of domestic product are required by law or regulation (for example, government purchases under "Buy American" provisions). This involves ____ percent of all purchases of rebar.
- Yes--Purchases of domestic product are not required by law or regulation, but are by your customers. This involves ____ percent of all purchases of rebar.
- Yes--Purchases of domestic product are required for other reasons (please specify these reasons below). This involves ____ percent of all purchases of rebar.

III-19. (a) How frequently do you make purchases?

Daily Weekly Monthly Quarterly Annually

Other (specify) _____

(b) Do you expect this purchasing pattern to change in the next two years?

No Yes--How and why do you expect these changes to occur?

III-20. How many suppliers do you generally contact before making a purchase?

III-21. (a) Do purchases of rebar usually involve negotiations between supplier and purchaser?

No Yes--Please describe these negotiations. In your response, please comment on whether purchasers generally quote competing prices as part of the negotiation process.

(b) Does your firm tend to vary its purchases from a given supplier within a specified time period based on the price offered for that period?

No Yes--Specify the time period.

III-22. Have you changed suppliers since 2002?

No Yes--Please list the supplier or suppliers and indicate whether the firm was added or dropped as a supplier. Also give the reasons for the change and how frequently you change suppliers.

PART III.--MARKET CHARACTERISTICS AND PURCHASING PRACTICES--Continued

III-23. (a) Are you aware of any new suppliers, either foreign or domestic, that have entered the market since 2002?

- No Yes--Please identify the firms and indicate how you became aware of them.

(b) Do you expect new rebar suppliers to enter the market in the future?

- No Yes--Please provide details, noting the specific future time period in your response.

III-24. Do you require your suppliers to become certified or prequalified with respect to the quality, chemistry, strength, or other performance characteristic of the rebar they sell to your firm?

- No Yes-- _____percent of purchases in 2007 Yes--all purchases

Please provide a general description of the certification or qualification process and the time required.

III-25. Briefly describe the factors that you consider when qualifying a new supplier (e.g., quality of product, reliability of supplier, etc.) and estimate the time it takes to certify or qualify a new supplier.

III-26. Since 2002, have any domestic or foreign producers failed in their attempts to certify or qualify their rebar with your firm or have any producers lost their approved status?

- No Yes--Please identify these firms, the countries where they are located, and the reasons why they failed the certification/qualification.

III-28. What characteristics does your firm consider when determining the quality of rebar?

III-29. How often does your firm purchase the rebar that is offered at the lowest price?

Always Usually Sometimes Never.

III-30. Please list the names of any firms you considered price leaders in the rebar market since 2002. A price leader is defined as (1) one or more firms that initiate a price change, either upward or downward, that is followed by other firms, or (2) one or more firms that have a significant impact on prices. A price leader does not necessarily have to be the lowest priced supplier. For those firms identified as a price leader, please specify the time period in which a price change was communicated, whether the price change was upward or downward, and whether it covered a specific geographic region or a specific product type.

III-31. Please describe how the above firm(s) exhibited price leadership.

III-32. How frequently does the price of the rebar you are purchasing change?

PART III.--MARKET CHARACTERISTICS AND PURCHASING PRACTICES--Continued

III-33. Does your firm purchase rebar over the internet?

- No Yes--Please describe, noting the estimated percentage of your firm's total purchases of rebar in 2007 accounted for by internet purchases.

III-34. (a) As an attachment to this questionnaire, please identify and discuss any improvements/changes in the U.S. rebar industry since 2002 and explain fully, to the extent possible, the factor(s), including the order(s) under review, that was/(were) responsible for each improvement/change.

(b) Please also discuss fully, to the extent possible, any improvements/changes that you anticipate in the future in the U.S. rebar industry. Identify the specific future time period covered in your response, and discuss the factors that you believe would be responsible for each improvement/change.

III-35. What do you think will be the likely effects of any revocation of the antidumping duty order for imports of rebar from Turkey? As appropriate, please discuss any potential effects of revocation of the antidumping duty order on (1) the future activities of your firm and (2) the U.S. market as a whole. Please note the future time period to which you are referring. Attach additional pages if necessary.

IV-3. Do you or your customers ever specifically order rebar from one country in particular over other possible sources of supply?

- No Yes--Please identify all relevant countries (including the United States and both subject and nonsubject foreign countries) from which you or your customers prefer to order, and indicate why rebar from these countries is preferred over product from other countries (please note the specific product in your response).

IV-4. Are certain grades/types/sizes of rebar available from only a single source (domestic or foreign, including both subject and nonsubject countries)?

- No Yes--Please identify the source and the grade/type/size.

IV-5. If you purchased rebar from one source although a comparable product was available from another source at a lower price, please explain your reasons for doing so (please specify by country, including the United States and both subject and nonsubject foreign countries). Possibilities might include transaction characteristics such as length of time to fill orders, minimum order size, reliability of supply, etc.

PART IV.--COMPARISONS BETWEEN IMPORTED AND U.S. PRODUCED PRODUCT--Continued

IV-6. For the factors listed below, please rate how rebar produced in each country you identified in your response to the first question in Part IV compares with rebar produced in each of the other countries you identified (including the United States and both subject and nonsubject foreign countries). Copy this page as necessary to cover all possible country combinations and please attach any comments you care to make concerning your responses, especially in comparisons where you rate product from one country superior or inferior to product from another.

Electronic submissions: For each country comparison manually **copy and paste IV-6 in a new page in this document as necessary.** (At the end of IV-6, insert a page break (Menu: Insert-Break-Page break), copy IV-6 and paste in the new page.)
