III-19. (b) Please list, in order of their importance, the three major factors generally considered by your firm in deciding from whom to purchase certain steel threaded rod for any one order (examples include current availability, extension of credit, prearranged contracts, price, quality exceeding specifications or industry standards, range of supplier's product line, traditional supplier, etc.).

1. _____

2. _____

3. _____

Other factors or comments: _____

III-20. What characteristics does your firm consider when determining the quality of certain steel threaded rod?

III-21. How often does your firm purchase the certain steel threaded rod that is offered at the lowest price?

Always Usually Sometimes Rarely Never.

III-22. Please list the names of any firms you considered price leaders in the certain steel threaded rod market since January 1, 2005. A price leader is defined as (1) one or more firms that initiate a price change, either upward or downward, that is followed by other firms, or (2) one or more firms that have a significant impact on prices. A price leader does not necessarily have to be the lowest priced supplier. For those firms identified as a price leader, please specify the time period in which a price change was communicated, whether the price change was upward or downward, and whether it covered a specific geographic region or a specific product type.

III-23. Do the sales terms for certain steel threaded rod (e.g., how prices are set and adjusted, how fluctuations in raw material costs are addressed, etc.) differ between U.S. producers and importers of Chinese product?

No Yes--Please explain any such differences and the extent to which they are important for your firm's purchases of certain steel threaded rod.

PART IV.--COMPARISONS BETWEEN IMPORTED AND U.S. PRODUCED PRODUCT

Please note that the questions in this section refer to domestic certain steel threaded rod and certain steel threaded rod imported from ANY source (both subject and nonsubject countries). If your response to any question differs depending on the country of origin, please report separately for each country and note this in your response.

IV-1. Please indicate the countries of origin for certain steel threaded rod for which your firm has actual marketing/pricing knowledge.

- United States
- China
- Other countries (Please specify _____)

IV-2. Is certain steel threaded rod produced in the United States and in other countries interchangeable (i.e., can they physically be used in the same applications)? Please indicate below, using “always” to indicate that the products from a specified country-pair are *always* interchangeable, “frequently” to indicate that the products are *frequently* interchangeable, “sometimes” to indicate that the products are *sometimes* interchangeable, “never” to indicate that the products are *never* interchangeable, and “no familiarity” to indicate *no familiarity* with products from a specified country-pair.¹

Country-pair	China	Other countries ²
United States		
China		

¹ For any country-pair producing certain steel threaded rod that you reported are *sometimes or never* interchangeable, please explain the factors that limit or preclude interchangeable use. In your response relating to “other countries,” if the degree of interchangeability differs for different nonsubject countries, please note this below.

² Please note the country/countries of origin of the certain steel threaded rod that are included in the “other countries” category.

PART IV.--COMPARISONS BETWEEN IMPORTED AND U.S. PRODUCED PRODUCT--Continued

IV-3. Do you or your customers ever specifically order certain steel threaded rod from one country in particular over other possible sources of supply?

- No Yes--Please identify all relevant countries (including the United States and both subject and nonsubject foreign countries) from which you or your customers prefer to order, and indicate why certain steel threaded rod from these countries is preferred over that from other countries (please note the specific product in your response).

IV-4. Are certain grades/types/sizes of certain steel threaded rod available from only a single source (domestic or foreign, including both subject and nonsubject countries)?

- No Yes--Please identify the source and the grade/type/size.

IV-5. If you purchased certain steel threaded rod from one source although a comparable product was available from another source at a lower price, please explain your reasons for doing so (please specify by country, including the United States and both subject and nonsubject foreign countries). Possibilities might include transaction characteristics such as length of time to fill orders, minimum order size, reliability of supply, more favorable sales terms, willingness to enter into consignment arrangements, willingness of suppliers to accept raw material fluctuations or currency exchange risks, etc.

PART IV.--COMPARISONS BETWEEN IMPORTED AND U.S. PRODUCED PRODUCT--Continued

IV-6. For the factors listed below, please rate how certain steel threaded rod produced in each country you identified in your response to the first question in Part IV compare with certain steel threaded rod produced in each of the other countries you identified (including the United States and both subject and nonsubject foreign countries). Copy this page as necessary to cover all possible country combinations and please attach any comments you care to make concerning your responses, especially in comparisons where you rate product from one country superior or inferior to product from another.

Electronic submissions: For **each country comparison manually copy and paste IV-6 in a new page in this document as necessary.** (At the end of IV-6, insert a page break (Menu: Insert-Break-Page break), copy IV-6 and paste in the new page.)
