171

JAS SEEDED
TRACT ACRES

101

DO NOT CHANGE

1. Around June 1, you had seeded or intended to seed _____ acres of Durum wheat for all purposes in _____ field(s) in this tract.

Show operator his tract and fields on PHOTO. Verify the fields and the acreage of Durum wheat planted in the tract and entered in Table A.

Record the acreages of Durum wheat to be **harvested for grain** in Column 6 and **ADD** to total.

TABLE A

FIELD NUMBER (Sample field number has ##)	TOTAL ACRES IN FIELD	ACRES of DURUM WHEAT SEEDED	Acres in USES or CROPS OTHER THAN DURUM WHEAT to be harvested for grain. <i>(For example: not seeded, other spring wheat, bare spots, waterways, roads, other crops, etc.)</i>		ACRES OF DURUM WHEAT FOR GRAIN <i>(Col. 2 minus Col. 5)</i>
			USE	ACRES	
1	2	3	4	5	6

2. The total Durum wheat acreage (column 6) to be harvested for grain in this tract is ACRES 102

Verify that the ACREAGE is correct. If NOT, RE-ADD.

IF ITEM 2 HAS { -- A ZERO entry – Return all forms.
-- An Acreage entry – CONTINUE.

a. Was Durum wheat planted in field number _____ greater than zero?

- YES** – Continue on back page.
- NO** -- Did you list a NEW FIELD in Table A that is intended for harvest for grain?
 - YES** – This new field is now the sample field. If you listed 2 or more new fields, choose the one closest to the originally selected field. Continue on back page.
 - NO** -- Conclude interview, record Form A ending time, and return all forms.

FORM A-2D: DURUM WHEAT--Continued

All questions on this page apply to the SAMPLE FIELD ONLY.

3. Copy acres of Durum wheat for harvest in Sample Field Number _____ from Table A, column 6 ACRES

103

4. Has this field been (or will it be) irrigated? YES = 1 NO=3 ENTER CODE

105

5. With your permission I will go out to the field and mark off two small plots to be used in making stalk and head counts. I will return to the plots each month until harvest to make counts and clip a few heads to determine their size and weight. Would that be all right?

YES -Continue. If this is a gleanings sample, tell the operator, "After harvest, I will also lay out two small plots to determine harvest loss."

NO - Conclude interview and return all forms.

6. Have you or will you apply pesticides with organophosphorous content to the sample field?

YES DON'T KNOW NO

If YES, enter latest application date _____ and name of pesticide _____.

7. Respondent Name _____

IMPORTANT: Review for completeness. Record ending time and sign name. Record operator's telephone number and expected harvest date on your kit envelope. Record pesticide intentions (item 6), onto the sample kit envelope and Form B.

Ending Time (Military Time)	172
Enumerator Number	190
Supervisor Number	191
STATUS CODE	180

8. Enumerator _____
