Please complete this form using the instructions below and return it in the enclosed envelope. Your report will be used to establish official estimates of the 2006 sugarbeet planted acreage. Your assistance will help ensure the accuracy and completeness of these official estimates. Response to this survey is voluntary and not required by law. However, your assistance is vital.

Your report will be kept confidential. Thank you for your cooperation.

Please make corrections to name, address and Zip Code, if necessary.

INSTRUCTIONS

1. Include acreage of both processor and producers.
2. Acreage should be allocated to States in which the beets are actually grown.
3. If plantings are incomplete, please report approximate totals.
4. In addition to data for operating factories, please list factories not operating with the notation "not operating".

Factory for which acreage is intended	State in which beets are planted	Acres planted and to be planted in 2006. (If necessary, Estimate)	Acres Contracted in 2006

Would you like to receive a copy of the results of this survey in the mail?
(The survey results will also be available on the Internet at <http://www.nass.usda.gov>.)
