Last week you should have received a survey mailed from Michigan State University. It is part of an important study concerning wildfire protection in [CITY/COUNTY]. If you have already returned it, please accept our sincere thanks. If not, we ask that you do so as soon as possible. Your views and information will be very helpful.

Your participation in this survey is voluntary; however, for the results of this survey to truly represent the full range of views of people in your community, it is important that we hear from everyone who receives this questionnaire.

If you did not receive the survey, or it was misplaced, please call us at (517) 432-0318, and we will mail you another survey right away.

Thank you for your help!
