

MANUFACTURING AND CONSTRUCTION DIVISION
U.S. CENSUS BUREAU

Thank you for returning your Current Industrial Report. However, upon review of that form, we have found that PART I of the report either was completely blank or had all 0's entered.

If this establishment does not manufacture any of the products listed on the survey form, please indicate this in PART IV REMARKS. Please describe the types of products manufactured by this establishment. If appropriate, we will mail the correct survey form to you.

If this establishment does not manufacture any products, please report this in the REMARKS section and indicate the primary activity of this establishment so we can delete it from this survey.

If this establishment was BOUGHT, SOLD, TEMPORARILY IDLED, or DISCONTINUED operations, please complete SECTION II of the report.

If the form is applicable, we appreciate your cooperation in completing the form and returning it to us. Remember that ESTIMATES ARE ACCEPTABLE. A return envelope has been provided for your convenience. If you have any questions regarding this report, please contact Michael Lutz, National Processing Center, on 812-218-3560.

Sincerely,

Thomas E. Zabelsky
Chief, Manufacturing and
Construction Division
