

## CURRENT INDUSTRIAL REPORTS SERIES

FROM THE DIRECTOR  
U.S. CENSUS BUREAU

Please complete and return the enclosed quarterly Current Industrial Reports survey form within 15 days. The Current Industrial Reports yield statistics that businesses, trade associations, Government agencies and others use intensively. These data can help your business to:

- Assess industry and economic trends
- Plan production
- Develop new products and markets

Each quarter your company will receive a form for reporting the previous quarter's data. Although your response is voluntary, we need your participation to assure the quality of the survey results. Federal law (Title 13, United States Code) requires us to keep the information you report strictly confidential.

We realize your time is valuable and compiling these data is not always easy. However, reasonable estimates are acceptable, if book figures are not available. Please consult with your marketing manager and engineers and use the "Remarks" section to provide any needed explanations when completing your form.

If you have any questions, need assistance, or would like survey results, please call our toll-free number on 1-800-201-4647. If you need additional survey forms, please call our processing office staff on 812-218-3331.

Thank you for your cooperation.

Sincerely,

A handwritten signature in black ink that reads "Steve H. Murdock". The signature is written in a cursive style.

Steve H. Murdock
