INFORMATION COLLECTION NOTIFICATION
NOAA Form 88-800

This information collection is authorized under 50 CFR §260.96. The information will be used to register participants requesting regular inspection services on a contractual basis. Any change to the contract require a contract amendment, using this form. Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of the collection of information, including suggestions for reducing this burden, to the National Seafood Inspection Program, 1315 East-West Highway, Silver Spring, MD 20910. This information is required in order to receive inspection services on a contract basis.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.
