WASHINGTON, DC 20301-6000

CHIEF INFORMATION OFFICER

JUN 25 2008

Mr. Kevin Neyland
Deputy Administrator
Office of Information and Regulatory Affairs
Office of Management and Budget
Washington, DC 20503

Dear Mr. Neyland:

In accordance with 5 CFR 1320.13, "Emergency Processing," the Department of Defense (DoD) requests emergency processing and approval of a new public information collection requirement in the Office of the Under Secretary of Defense for Personnel and Readiness/National Security Education Program.

The Paperwork Reduction Act submission and the Supporting Statement are at Enclosure 1. The Statement of Determination for emergency processing is at Enclosure 2.

To meet the mandates of Section 944 of Public Law 109-364, an emergency approval must be acquired from the Office of Management and Budget (OMB). The use of the normal OMB process would preclude the collection of the information in a timely manner. The Department requests emergency approval by June 26, 2008.

The point of contact for this action is Ms. Patricia Toppings, DoD Clearance Officer, at 703-696-5284.

Sincerely,

A handwritten signature in black ink, appearing to read "David M. Wennergren".

David M. Wennergren
