We need your help. As a community member, medical provider or survivor of a heart attack, we believe that you can help to identify some of the issues that prevent people from getting the treatment they need in a timely way. Your thoughts and opinions are vital to gaining better understanding of this very important subject.

If you are able to participate in this project, please fax this form to our office at the number listed below. We ask that you fill out the contact information so that we can send you a copy of the consent form and the questionnaire so that you can review them. We will call you at the number you list at the time that you indicate is best for your schedule.
