Screening Questionnaire for Consumers

Thank you very much for speaking with us about the interviews we are conducting. My name is _____ and I work for Schlesinger Associates. We are working with RTI International and the Centers for Disease Control and Prevention (CDC) to recruit women to participate in a focus group discussions to examine views about women's health and healthy behaviors.

People who are qualified to participate will be asked to take part in a one-time, in-person focus group for approximately 90 minutes. The group discussion will be audio recorded. After completion of the discussion, you will receive \$75 in appreciation of your time. Participation is completely voluntary. Any information you provide will remain secure.

Does this sound like something you would be interested in participating in?

[If NO] Thank you for your time.

[If YES] Great. Would it be okay if I ask you a few questions? Some of the questions may make you feel uncomfortable, but your decision to answer the questions is completely voluntary and you skip any question you do not feel comfortable answering and stop answering questions at any time.

1. What is your age? _____ years

- 18-44 **CONTINUE**
 Other **TERMINATE**

2. Are you comfortable with participating in a 90-minute discussion in English?
