SECTION III

Insurance Information

This section must be completed by ALL motor property carrier applicants. The dollar amounts in parentheses represent the minimum amount of bodily injury and property damage (liability) insurance coverage you must maintain and have on file with the FMCSA.

NOTE: Refer to the instructions for information on cargo insurance filing requirements for motor common carriers and surety bond/trust fund agreement filings for property brokers.

Will operate vehicles having Gross Vehicle Weight Ratings (GVWR) of 10,000 pounds or more to transport:

Non-hazardous commodities (\$750,000).

Hazardous materials referenced in the FMCSA's insurance regulations at 49 CFR 387.9 (\$1,000,000).

Hazardous materials referenced in the FMCSA's insurance regulations at 49 CFR 387.9 (\$5,000,000).

Will operate only vehicles having Gross Vehicle Weight Ratings (GVWR) under 10,000 pounds to transport:

Any quantity of Division 1.1, 1.2, or 1.3 material; any quantity of Division 2.3, Hazard Zone A, or Division 6.1 Packing Group I, Hazard Zone A material; or highway route controlled quantities of a Class 7 material as defined in 49 CFR 173.403. (\$5,000,000).

Commodities other than those listed above (\$300,000).

SECTION IV

**Safety
Certification
(Motor Carrier
Applicants
Only)**

APPLICANTS SUBJECT TO FEDERAL MOTOR CARRIER SAFETY REGULATIONS - If you will operate vehicles of more than 10,000 pounds GVWR and are, thus, subject to pertinent portions of the U.S. DOT's Federal Motor Carrier Safety Regulations at 49 CFR, Chapter 3, Subchapter B (Parts 350-399), you must certify as follows:

Applicant has access to and is familiar with all applicable U.S. DOT regulations relating to the safe operation of commercial vehicles and the safe transportation of hazardous materials and it will comply with these regulations. In so certifying, applicant is verifying that, at a minimum, it:

- (1) Has in place a system and an individual responsible for ensuring overall compliance with Federal Motor Carrier Safety Regulations;
- (2) Can produce a copy of the Federal Motor Carrier Safety Regulations and the Hazardous Materials Transportation Regulations;
- (3) Has in place a driver safety training/orientation program;
- (4) Has prepared and maintains an accident register (49 CFR 390.15);
- (5) Is familiar with DOT regulations governing driver qualifications and has in place a system for overseeing driver qualification requirements (49 CFR Part 391);
- (6) Has in place policies and procedures consistent with DOT regulations governing driving and operational safety of motor vehicles, including drivers' hours of service and vehicle inspection, repair, and maintenance (49 CFR Parts 392, 395 and 396);
- (7) Is familiar with and will have in place on the appropriate effective date, a system for complying with U.S. DOT regulations governing alcohol and controlled substances testing requirements (49 CFR 382 and 49 CFR Part 40).

YES

EXEMPT APPLICANTS - If you will operate only small vehicles (GVWR under 10,000 pounds) and will not transport hazardous materials, you are exempt from Federal Motor Carrier Safety Regulations, and must certify as follows:

Applicant is familiar with and will observe general operational safety guidelines, as well as any applicable State and local laws and requirements relating to the safe operation of commercial motor vehicles and the safe transportation of hazardous materials.

YES

SECTION V

Affiliations

AFFILIATION WITH OTHER FORMER ICC, FHWA OR OMCS, NOW FMCSA-LICENSED ENTITIES. Disclose any relationship you have or have had with any other FMCSA-regulated entity within the past 3 years. For example, this could be through a percentage of stock ownership, a loan, or a management position. If this requirement applies to you, provide the name of the company, MC-number, DOT number, and that company's latest U.S. DOT safety rating. (If you require more space, attach the information to this application form.)

HOUSEHOLD GOODS MOTOR COMMON CARRIER APPLICANTS including United States-based enterprises owned or controlled by persons of Mexico providing truck services for the transportation of international household goods shipments must certify as follows:

Applicant is fit, willing, and able to provide the specialized services necessary to transport household goods. This assessment of fitness includes applicant's general familiarity with former ICC, FHWA, or OMCS now FMCSA regulations for household goods movements and also requires an assurance that applicant has or is willing to acquire the protective equipment and trained operators necessary to perform household goods movements and that applicant will offer arbitration as a means of settling loss and damage disputes on collect-on-delivery shipments. The proposed operations will serve a useful public purpose responsive to a public demand or need.

HOUSEHOLD GOODS MOTOR CONTRACT CARRIER APPLICANTS must certify as follows:

Applicant is fit, willing, and able to provide the specialized services including United States-based enterprises owned or controlled by persons of Mexico providing truck services for the transportation of international household goods shipments necessary to transport household goods. This assessment of fitness includes applicant's general familiarity with former ICC, FHWA, or OMCS, now FMCSA regulations for household goods movements and also requires an assurance that applicant has or is willing to acquire the protective equipment and trained operators necessary to perform household goods movements and that applicant will offer arbitration as a means of settling loss and damage disputes on collect-on-delivery shipments. The proposed service will be consistent with the public interest and the transportation policy of 49 U.S.C. 10101.

HOUSEHOLD GOODS BROKER APPLICANTS must certify as follows:

Applicant is fit, willing, and able to provide household goods brokerage operations and to comply with all pertinent statutory and regulatory requirements. The involved services will be consistent with the public interest and the transportation policy of 49 U.S.C. 10101.

NOTE: Applicant may attach a supporting statement to this application to provide additional information about any of the above certifications. This evidence is optional.

Fee Policy

Filing fees must be payable to the **Federal Motor Carrier Safety Administration**, by check drawn upon funds deposited in a bank in the United States or money order payable in U.S. currency or by approved credit card.

Separate fees are required **for each type of authority requested**. If applicant requests multiple types of permanent authority on one application form (for example, common and contract carrier authority) or if applicant submits more than one form in the OP-1 Series in a single filing, multiple fees are required. The applicant may submit a single payment for the sum of the applicable fees.

Filing fees must be sent, along with the original and one copy of the application, to Federal Motor Carrier Safety Administration, P. O. Box 70935, Charlotte, NC 28272-0935. **For express mail only:** QLP Wholesale Lockbox-NC0810, Lockbox #70935, 1525 West WT Harris Blvd., Charlotte, NC 28262. **For credit card only:** FMCSA, IT Operations Division, 400 Seventh St., SW, Room 8218, Washington, D.C., 20590.

After an application is received, the filing fee is **not** refundable.

The FMCSA reserves the right to discontinue processing any application for which a check is returned because of insufficient funds. The application will not be processed until the fee is paid in full.

Filing Fee Information

All applicants must submit a filing fee for each type of authority requested. The enclosed fee schedule will show the appropriate filing fee. The total amount due is equal to the fee times the number of boxes checked in **Section II**. Fees for multiple authorities may be combined in a single payment.

Instructions for Completing the Motor Property Carrier and Broker Authority Application (OP-1)

Included within this instruction packet is information to help you answer the following questions:

What forms do I need to complete?

What are the steps I need to take to get Operating Authority?

What is the cost for obtaining Operating Authority?

How do I complete the OP-1 Application for Motor Property Carrier and Broker Authority

What Forms Do I Need to Complete?

The following chart will help you to determine which FMCSA Registration and Operating Authority forms you are required to fill out. Boxes marked with an “X” in your corresponding Classification indicate forms that you must complete.

Classification	USDOT Number			Operating Authority		
	MCS-150	MCS-150A	MCS-150B	OP-1	OP-1(P)	OP-1(FF)
Interstate						
Motor Carrier (excludes Hazardous Material Carriers)

Registrant (you obtain the plates, but you never drive for yourself)	X					
Intrastate						
Non-Hazardous Material Carrier	See Note 2					
Hazardous Material Carrier	See Note 2		See Note 2			
Hazardous Material Shipper	See Note 2		See Note 2			
Shipper (Non-Hazardous Materials)	See Note 3					

Note 1: If you are an Interstate Hazardous Material Carrier, you will be required to fill out EITHER the MCS-150 or the MCS-150B, but not both. If you transport any of the following Hazardous Material in Interstate commerce, you will be required to fill out the MCS-150B instead of the MCS-150:

Highway Route Controlled Quantities (HRCQ) of Radioactive materials;

More than 25 kg (55 pounds) of a Division 1.1, 1.2, or 1.3 material or a quantity of Division 1.5 material that requires placarding;

For materials that meet the definition of “material poisonous by inhalation” (TIH) as defined in 49 CFR 171.8: More than 1 liter (1.08 quarts) per package of a material meeting the definition of a Hazard Zone A TIH material, a material meeting the definition of a Hazard Zone B TIH material in a bulk package

(capacity greater than 450 liters [119 gallons]), or a material meeting the definition of a Hazard Zone C or D TIH material in a bulk packaging that has a capacity greater than 13,248 L (3,500 gallons);

Shipments of compressed or refrigerated liquid methane or liquefied natural gas with a methane content of at least 85% in a bulk packaging that has a capacity greater than 13,248 liter (3,500 gallons).

Note 2: If you are a Hazardous Material Shipper, or an Intrastate Hazardous Material Carrier, you are not required to fill out this form unless you perform some other Interstate operation that requires you to complete the MCS-150 or MCS-150B.

Note 3: If you are a Shipper of Non-Hazardous Material only, you do not need to fill out this form. If you are both a Shipper of Non-Hazardous Material and a Motor Carrier, you must fill out this form because you are a Motor Carrier.

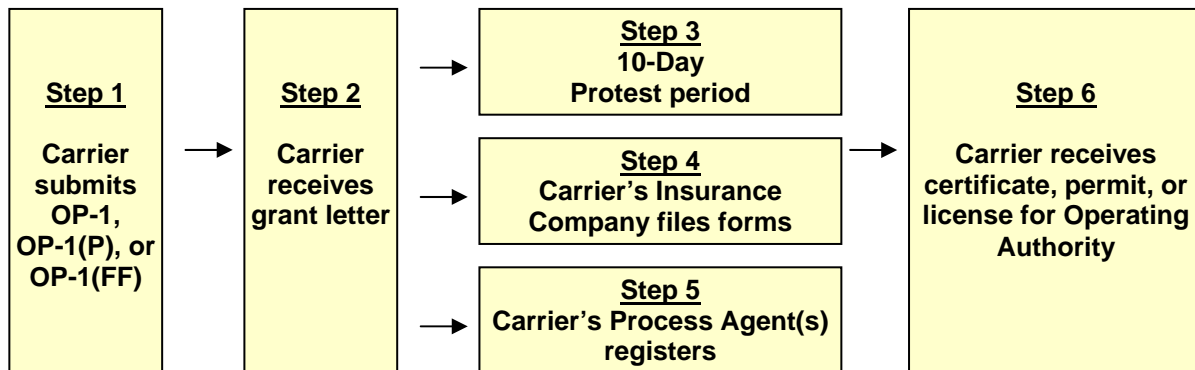

What Are the Steps I Need to Take to Get Operating Authority?

Operating Authority is granted by the U.S. Department of Transportation's (US DOT) Federal Motor Carrier Safety Administration (FMCSA). This Authority is needed by Motor Carriers who transport goods regulated by FMCSA and Motor Carriers who transport passengers or household goods.

How to Obtain Operating Authority

There are six steps involved with obtaining Operating Authority. You initiate the process in Step 1 by submitting the necessary OP-1 form. The remaining steps will be handled by your Insurance Company and Process Agent and will take between four and six weeks to complete.

You may not begin operating until you have received the Certificate, Permit, or License for Operating Authority in Step 6.

Step 1

Carriers and Brokers begin the Operating Authority process by filling out one of the following forms:

OP-1—Operating Authority for Common Property, Contract Property, Common Household Goods, Contract Household Goods, Broker, Enterprise transporting international cargo only, and Enterprise transporting international household goods only;

OP-1(P)—Operating Authority for Passenger; or

OP-1(FF)—Operating Authority for Freight Forwarder.

The applications can be filled out either online or by using paper applications that can be downloaded, printed, filled out, and mailed to FMCSA. Both can be found at <http://www.fmcsa.dot.gov/forms/print/r-l-forms.htm>.

If you file online, you can reduce your processing time by up to three weeks allowing you to begin operations sooner. However, if you submit the paper form with an error or incomplete information, your application will be delayed until all the errors can be corrected, resulting in additional time required to process your application.

Step 2

Upon receipt and acceptance of your application by FMCSA, which will take approximately three weeks from the date the application is mailed, all Motor Carrier and Broker applicants will receive a grant letter. This letter will include the MC or FF Number assigned to your operation and additional information about the steps your Insurance Company and Process Agents must take to complete your Operating Authority Registration (see Step 3 and Step 4 for additional information.) If you apply online, you will receive the MC or FF Number immediately and will receive your grant letter within 15 days. The MC or FF Number is given to you for use by your Insurance Company and Process Agents to make the appropriate fillings to complete the process for obtaining your Operating Authority.

Although you have received your MC or FF Number, you may not operate until Step 6 is complete.

Step 3

At the same time your grant letter is issued, your application will be placed in the FMCSA Register for 10 calendar days. During this protest period, the public can file objections with FMCSA stating why you should not obtain Operating Authority. FMCSA will accept protests sent by mail as long as they are postmarked by the last day of the protest period. If there is a protest filed against your application, FMCSA will provide you with information on the adjudication process. Your Insurance Company and Process Agent can file their documents during this period. You can view the FMCSA Register by going to <http://www.fmcsa.dot.gov>. From there, select "Registration and Licensing", then select "Licensing and Insurance System". Click the continue button. From there, select the "FMCSA Register" option in the drop-down menu.

Step 4

This step can begin any time after you have received your MC or FF Number and is not dependant on Step 2 or 3 being completed. Appropriate insurance forms must be filed by your Insurance Company within 20 days after your grant letter is mailed and the date the notice of your application is published in the *FMCSA Register*. Your Insurance Company must file the appropriate forms based on your company's operation plan. Those forms will be one or more of the following:

Form BMC-91 or BMC-91X for bodily injury and property damage;

Form BMC-34 for cargo liability;

Form BMC-84 for broker surety bond and Form BMC-85 for broker trust fund agreement.

The FMCSA does not furnish copies of these insurance forms. You must contact your Insurance Company to arrange for the filing of all required insurance forms and confirm with the Insurance Company that FMCSA has received those forms. Any delay on the part of your Insurance Company will result in a delay in the time it takes you to receive your Operating Authority and may result in your application being dismissed.

Step 5

A Process Agent is a representative upon whom court papers may be served in any proceeding brought against a Motor Carrier, Broker, or Freight Forwarder.

All Motor Carrier applicants must designate a Process Agent in each State that they operate in or through. Broker applicants must designate a Process Agent in each State in which their offices are located and in which they will establish contracts. Brokers can act as their own Process Agents in the state in which they are domiciled, but will need Process Agents in the other States they operate in as well. Additional information about Process Agents can be found at by visiting the FMCSA Web site at <http://www.fmcsa.dot.gov>. From there, select "Registration and Licensing", then "What is a Process Agent".

Process Agents must file the BOC-3 form on your behalf. This form must be filed within 20 days after your grant letter is mailed and the date the notice of your application is published in the *FMCSA Register*. Any delay by the Process Agent in filing the Form BOC-3 will result in a delay in the receipt of your Operating Authority and may result in your application being dismissed.

Step 6

Once the application, insurance, and Process Agent filings have been approved by FMCSA, and the protest period has ended without any protest being filed against the applicant, the Carrier, Broker or Freight Forwarder applicant are given final Authority in the form of a certificate, permit, or license, allowing you to begin operations. This document will be mailed to the applicant and will serve as an official record of your Operating Authority.

What is the Cost for Obtaining Operating Authority?

Fee Schedule (Effective March 1999)

Operating Authority*\$300.00
Includes: Common Property, Contract Property, Common Household Goods, Contract Household Goods, Broker, Freight Forwarder, Passenger, Enterprise Transporting International Cargo, and Enterprise Transporting International Household Goods.

Notice of Name Change.....\$ 14.00

Separate fees must be submitted for each kind of Authority sought. For instance, requests for Common Property Motor Carrier and Contract Property Motor Carrier Authority will require two \$300 fees. Payments can be combined.

REFUNDS FOR FILING FEES ARE NOT PERMITTED.

Please refer to the last page of the application form for instructions on mailing the application to the Federal Motor Carrier Safety Administration of the US Department of Transportation. **NOTE: RETAIN A COPY OF THE COMPLETED APPLICATION FORM AND ANY ATTACHMENTS FOR YOUR OWN RECORDS.**

If you are submitting this form online, the applicant's legal name or the representative's name must match the name and billing address of the credit card used to pay the filing fee.

How Do I Complete the OP-1 Application for Motor Property Carrier and Broker Authority?

These instructions will assist you in preparing accurate and complete application filings. **Applications that do not contain the required information will be rejected and may result in a loss of the application fee.** If additional space is needed to provide a response to any item, please use a separate sheet of paper, placing the applicant's name, section, and item number on each additional page.

Note: When filling out this application, please **print** clearly in ink or **type** all information.

SECTION I

FMCSA Authority

If you have ever been issued Operating Authority by one of the following agencies: Interstate Commerce Commission (ICC), Federal Highway Administration (FHWA), Office of Motor Carrier Safety (OMCS), or Federal Motor Carrier Safety Administration (FMCSA); or if you have an application for Authority being processed now by FMCSA, check the "yes" box and indicate the MC Number (also called a lead docket number) you have been assigned, for example: MC-987654.

Applicant's Legal Business Name

This is the legal name of the business entity (i.e., Corporation, Partnership, or Sole Proprietorship/Individual) that owns/controls the Motor Carrier or Broker operation. The name entered here should be your full legal business name — the name that appears on the incorporation certificate, partnership agreement, tax records, etc. For example, if you are a:

Corporation — Please enter the name on your incorporation certificate. This name must include the type of Corporation that you are: John Doe INC, John Doe LLC

Sole Proprietor/Individual — Please enter your full legal name: John A. Doe.

Partnership — Please enter the legal names of both Partners: John A. Doe and Jane B. Smith.

Note: If the name you submit here does not match what was/will be submitted on your insurance papers, there will be a delay in the granting of your Operating Authority.

Doing Business As Name

If your Trade Name is different from your Official Business Name (the name entered in the Applicant's Legal Business Name field), please enter that name here. For example, if you entered John A. Doe as the Legal Business Name, but your Trade Name or Doing Business As name is John's Trucking Company, you would enter John's Trucking Company in this field. If your Trade Name is the same as what was entered in the Legal Business Name field, please leave this field blank.

Because FMCSA uses computers to retain information about licensed carriers, it is important to spell, space, and punctuate any name the same way each time you write it. For example: John Jones Trucking Co., Inc.; J. Jones Trucking Co., Inc.; and John Jones Trucking are considered three separate companies.

Business Address

The Business Address is the principal place of business (physical location), for example: 756 Bounty Street; 15433 State Highway 23.

This is the location that FMCSA will use for safety audits, compliance reviews, or other activities that require FMCSA to physically visit a Motor Carrier. For this reason, a PO Box may not be entered as your Business Address. If you file for a USDOT Number, your Business Address on this form must match your Principal Address on the MCS-150 application. For this reason, a PO Box may not be entered as your business address.

Mailing Address

The mailing address is where you want all correspondence from FMCSA to be sent. If it is the same as the Business Address, please leave this field blank.

To receive pertinent FMCSA notices and to ensure that insurance documents filed on the applicant's behalf are accepted, you must inform FMCSA if your Business or Mailing Address changes. You can do this by changing your address information online at <http://www.fmcsa.dot.gov> or by sending information in writing to 400 7th Street, SW, Rm. 8214, Washington, DC 20590. If you notify them in writing, please include your name and MC Number.

Representative

If someone other than the applicant is preparing this form, please provide the representative's name, title/position or relationship to the applicant, the address, telephone, and fax numbers. That person will be the person contacted if there are questions concerning this application.

USDOT Number

Applicants subject to the Federal Motor Carrier Safety Regulations are required to register with the Federal Motor Carrier Safety Administration of the US Department of Transportation before initiating service. Motor Carriers that already have been issued a USDOT registration number should provide it. If you have not already registered for a USDOT Number, please refer to the chart at the beginning of the application to see if you are required to obtain one. For additional information, please visit FMCSA's Web site at <http://www.fmcsa.dot.gov> or call (800) 832-5660.

Form of Business

There are three main categories of business: Corporation, Sole Proprietorship/Individual, or Partnership. If the applicant/business is a:

Corporation — Please provide the name of the State where the Corporation is incorporated.

Sole Proprietorship — Please provide the name of the individual who is the business owner. This name should match the name entered under Legal Business Name.

Partnership — Provide the name of each Partner. These names should match the names entered under Legal Business Name.

SECTION II

Type of Authority

You may use this application to apply for multiple types of Operating Authority. Please indicate which type(s) of Authority you are requesting by placing a check next to the appropriate box(es). Note: A separate \$300 filing fee is required for each type of Operating Authority requested. In addition, the types of Authority you select will impact the levels of insurance you are required to carry by FMCSA. Please select only those types corresponding to the types of business you will be performing. Below are descriptions of the different types of Authority you may apply for:

Common Carrier of Property — A Common Carrier of Property is an Authorized For-Hire Motor Carrier that can transport regulated commodities and must maintain liability and cargo insurance.

Contract Carrier of Property — A Contract Carrier of Property is an Authorized For-Hire Motor Carrier that can transport regulated commodities and must maintain liability insurance. A Contract Carrier can not be a Common Carrier without filing another application with FMCSA for Common Carrier Authority and filing proof of cargo insurance with the Federal Motor Carrier Safety Administration.

Common Carrier of Household Goods — A Household Goods Common Carrier is an Authorized For-Hire Motor Carrier who transports household goods and must maintain liability and cargo insurance. Household goods are personal effects or property used, or to be used, in a dwelling. They include property being moved from a factory or a store, if purchased with the intent to use in a dwelling, and transported at the request of the householder who pays for the transportation charges.

Contract Carrier of Household Goods — A Household Goods Contract Carrier is an Authorized For-Hire Motor Carrier who transports household goods and must maintain liability insurance. Household goods are personal effects or property used, or to be used, in a dwelling. They include property being moved from a factory or a store, if purchased with the intent to use in a dwelling, and transported at the request of the householder who pays for the transportation charges. A Contract Carrier can not be a Common Carrier

without filing another application with the FMCSA for Common Carrier Authority and filing proof of cargo insurance with the Federal Motor Carrier Safety Administration.

Broker of Property — An Individual, Partnership or Corporation who arranges, or offers to arrange, for the transportation of property belonging to others by an authorized Interstate Motor Carrier. Brokers do not assume responsibility for the cargo, nor do they take possession of it.

Broker of Household Goods — An Individual, Partnership or Corporation that arranges for transportation of household goods (usually from one house to another) belonging to others, using Authorized For-Hire carriers to provide the actual transportation. **The Broker does not assume responsibility for the household goods and does not take possession of those goods.**

Enterprise Carrier of International Cargo — US-based companies owned/controlled by Mexican citizens or nationals, which provide transportation of international cargo only.

Enterprise Carrier of International Household Goods — US-based companies owned/controlled by Mexican citizens or nationals, which provide transportation of international household goods only.

SECTION III

Insurance Information

Your insurance coverage requirements will be based on the gross vehicle weight rating of your vehicles and the property (including type of Hazardous Material) the applicant will haul. Please check the appropriate box(es) to describe the type of business you will be conducting. Refer to Step 4 under “How to Obtain Operating Authority” for more information.

If you operate vehicles with a gross vehicle weight rating exceeding 10,000 pounds, please check this item and indicate which of the subsequent items pertain to you.

If you only operate vehicles with a gross vehicle weight rating under 10,000 pounds, please check this item and indicate which of the subsequent items pertain to you.

SECTION IV

Safety Certification

Check only one of the boxes in this section.

Applicants for Motor Carrier Operating Authority must complete this safety certification.

The first section of questions in the certification statement describes the activities or actions that carriers must follow in order to be compliant with USDOT Federal Motor Carrier Safety Regulations. You should check the “yes” response only if you can attest to the truth of the statements.

The second section relates to EXEMPT APPLICANTS. If you operate only vehicles with a gross vehicle weight rating less than 10,000 pounds and will not transport Hazardous Material, then you are exempt from the safety certification in the first section. However, you must indicate that you are familiar with and will observe general operational safety fitness guidelines and applicable State and local laws relating to the safe operation of commercial motor vehicles.

SECTION V

Affiliations

In the past three years, if the applicant has held ownership (even a percentage of stock ownership), provided a loan to, or held a management position with a trucking entity/company that is regulated by FMCSA, please list that entity’s name, MC Number, USDOT Number, and the latest USDOT Safety Rating. This includes any entity or company that is/was licensed by the former ICC, FHWA, or OMCS.

SECTIONS VI

Household Goods Certifications

If you are applying for either the Household Goods Common Carrier, Household Goods Contract Carrier, or Household Goods Broker Operating Authority, please check "yes" next to the appropriate section to certify that you have met the requirements of the statement.

SECTIONS VII

Applicants for Contract Carriage of Household Goods

(Please complete this section ONLY if you are a Contract Household Goods Carrier).

If you are applying for Household Goods Contract Carrier Authority, you also must provide the information concerning your operations in Section VII.

SECTION VIII

Applicant's Oath

The "Applicant's Oath" applies to all certifications on this form. False certifications are subject to the penalties described in the oath.

Applications may be prepared by the applicant or an authorized representative. In either case, the oath must be signed by the applicant. In the case of Corporations, an authorized employee in the ownership structure may sign. An individual with power of attorney to act on behalf of the applicant may sign, provided that proof of the power of attorney is submitted with the application.

State Notification

Before beginning new or expanded Interstate operations, all applicants must contact the appropriate regulatory agencies to obtain information regarding various State regulations in every State in and through which the Carrier will operate.

STATUS: After your application is processed by FMCSA, you can check its status on the Internet. Application, Insurance, and Process Agent information appears on the Licensing and Insurance Web site as soon as it is entered into the database or filed electronically. The Web site address is <http://www.fmcsa.dot.gov>. From there, select "Registration and Licensing", then select "Licensing and Insurance System".
