FDIC CONTRACTOR REPRESENTATIONS AND CERTIFICATIONS

The following representations and certifications shall be executed by an official authorized to bind the offeror, and shall be returned with its proposal. These representations and certifications concern matters within the jurisdiction of an agency of the United States, and the making of a false, fictitious, or fraudulent statement may render the maker subject to prosecution under 18 United States Code (U.S.C.) § 1001, 1007, and 1014. For purposes of these representations and certifications, the Federal Deposit Insurance Corporation (FDIC) is considered an agency of the United States only with respect to its rights and remedies under 18 U.S.C. The offeror shall provide immediate written notice to the Contracting Officer, if, at any time prior to contract award, the offeror learns that one or more of the representations or certifications was erroneous when submitted or has become erroneous by reason of changed circumstances.

1. MINORITY AND WOMEN-OWNED BUSINESS REPRESENTATIONS

In the case of a firm which is a corporation, at least 51% of each class of voting stock outstanding, and 51% of the aggregate of all stock outstanding, must be unconditionally owned by one or more minorities. Additionally, the firm(s) management and daily business operations must be conducted by one or more of the qualifying minority owner(s). The minority individuals must have managerial experience of the extent and complexity needed to run the firm. A minority owner's unexercised right to cause a change in the control of management of the firm does not constitute minority control and management, regardless of how quickly or easily the right could be exercised.

In the case of a firm which is a corporation, at least 51% of each class of voting stock outstanding, and 51% of the aggregate of all stock outstanding, must be unconditionally owned by one or more women. Additionally, the firm(s) management and daily business operations must be conducted by one or more women. The women must have managerial experience of the extent and complexity needed to run the firm.
