Public Law 104-134 (April 26, 1996) requires that any person doing business with the Federal Government furnish a Social Security Number or tax identification number. This is an amendment to title 31, Section 7701. The primary use of these Social Security Numbers and tax identification numbers will be for identification purposes in assuring licensure and/or regulation compliance. This compliance is necessary for the purpose of determining Federal employee eligibility for child care tuition assistance. Disclosure of the above information is voluntary, but failure to provide all of the requested information may result in denial of your application.
