Dear Reporter:

The USDA National Agricultural Statistics Service, Idaho field office is collecting information for its yearly estimate of the acreage, production and average price received for 2007 Pea and Lentil Crops. Response to this survey is voluntary and not required by law; however, cooperation is very important. Your individual report will be held confidential and used only in combination with others to arrive at State totals. Please return this form in the enclosed envelope which does not require a stamp. Thank you.

Sincerely,

 William R Myer
 Director
