Dear Potato Processor:

In order to determine the utilization of the 2005 potato crop, we are asking potato processors to report quantities used for specific purposes. Your voluntary cooperation is needed to help us prepare reliable estimates on the usage of this year's potato crop. Please report for the plants operated by you in Wisconsin. As with all of our surveys, your data is held **confidential** and will be used only in arriving at state and national totals.

You may use the enclosed postage-paid envelope to return the questionnaire to us, or simply fax the form to 1-800-838-6277.

Please **FAX or MAIL** by March 7, 2007

Please make necessary corrections in name, address, and zip code.

1. How many hundredweight of potatoes from the 2006 crop were used for the production of potato products at your plant(s) **during January 2007?**..... Cwt.
2. Of the quantity reported in Item 1, how many hundredweight were used in making the following products:
