SUMMER POTATO INQUIRY SEPTEMBER 1, 2006

Form Approved
O.M.B. Number 0535-0002
Approval Expires 03/31/2007
Project Code 217
QID 060204

Colorado

Dear Potato Producer:

Your reply to this questionnaire will be very helpful in preparing estimates of the Colorado summer potato crop. Cooperation is very important in order to prepare accurate estimates in Colorado. Response to this survey is voluntary and not required by law. Individual reports are confidential and used only to prepare State and National estimates. Your general comments written in the space provided on this inquiry will be very useful.

Thank you for your cooperation.

Sincerely,

R. Renee Picanso
Director

Please make corrections to name, address and Zip Code, if necessary.

You may fax your report to: 1-800-643-6885

INSTRUCTIONS

Please report the condition of potatoes now, as compared with the normal growth and vitality you would expect at this time, if there had been no damage from unfavorable weather, insects, pests, etc. Let 100 percent represent a normal condition.

PLEASE REPORT FOR YOUR OPERATION

- Condition of potatoes on your operation compared with normal Percent
- Probable yield per acre of potatoes on your operation (field run) Cwt./Acre
- Would you like to receive a copy of the results of this survey in the mail?
(The survey results will also be available on the Internet at <http://www.usda.gov/nass/>)
