<u>If Participant **NOT ELIGIBLE** for THBS</u>

> *SAY:* Thank you for answering these questions. Unfortunately, the computer has not selected you to participate in the health survey. Thank you again for your time.

End Interview.

SAY: Congratulations! The computer has selected you to participate in the health survey. Let me tell you about it.

In the survey, the terms "transgender" and "gender-variant" are used broadly to refer to persons who identify, live, or present as a gender other than the one associated with their physical sex at birth. The purpose of the survey is to learn more about risks for HIV among transgender and gender-variant persons. Let me tell you more about it.

Interviewer: Read consent (see appendix H for model consent).

CONSENT.   *Interviewer:* Did the participant provide consent to participate in the survey?

No..❑ 0

Yes...❑ 1

SAY: Now I will turn the computer over to you to complete the rest of the interview. If you have questions during the survey or need assistance I will be close by to answer your question and provide help.
