

ADDENDUM TO THE SUPPORTING STATEMENT FOR FORM SSA-581

**AUTHORIZATION TO OBTAIN EARNINGS DATA
FROM THE SOCIAL SECURITY ADMINISTRATION**

OMB No. 0960-0602

We are making the following minor changes to form SSA-581:

Change: We substituted fillable boxes for blank lines, and added a barcode.

Justification: Our new version of the form will be scanned, and the information will be “lifted” and transmitted into SSA’s systems. This requires the use of fillable boxes and a barcode.

Change: We moved some information to different areas.

Justification: We did this to make the form more visually appealing and easier to read. The order of the questions remains the same.
