Excise Tax Return

TTB F 5300.26

JUSTIFICATION
(7/2007)

We instituted a new way of processing checks, so we added a notice at the bottom of the 2nd page to explain the process. We added a sentence at the top of the 1st page, in the "NOTE" box, directing the reader to the notice. Also, we changed the address of the processing center listed in the instructions.
