#### Public Participation and Request for Comments

The Coast Guard invites comments on whether this information collection request should be granted based on it being necessary for the proper performance of Departmental functions. In particular, the Coast Guard would appreciate comments addressing: (1) The practical utility of the collections; (2) the accuracy of the estimated burden of the collections; (3) ways to enhance the quality, utility, and clarity of information subject to the collections; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology.

We encourage you to respond to this request by submitting comments and related materials. We will post all comments received, without change, to <http://www.regulations.gov>. They will include any personal information you provide. We have an agreement with DOT to use their DMF. Please see the paragraph on DOT's "Privacy Act Policy" below.

Submitting comments: If you submit a comment, please include the docket number [USCG-2008-0251], indicate the specific section of the document to which each comment applies, providing a reason for each comment. We recommend you include your name, mailing address, an e-mail address, or other contact information in the body of your document so that we can contact you if we have questions regarding your submission. You may submit your comments and material by electronic means, mail, fax, or delivery to the DMF at the address under ADDRESSES; but please submit them by only one means. If you submit them by mail or delivery, submit them in an unbound format, no larger than 8 1/2 by 11 inches, suitable for copying and electronic filing. If you submit them by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change the documents supporting this collection of information or even the underlying requirements in view of them.

Viewing comments and documents: Go to <http://www.regulations.gov> to view documents mentioned in this notice as being available in the docket. Enter the docket number for this notice [USCG-2008-0251] in the Search box, and click "Go >>." You may also visit the DMF in room W12-140 on the West Building Ground Floor, 1200 New Jersey Avenue, SE., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

Privacy Act: Anyone can search the electronic form of all comments received in dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review the Privacy Act Statement of DOT in the Federal Register published on April 11, 2000 (65 FR 19477), or by visiting <http://DocketsInfo.dot.gov>.

#### Information Collection Request

Title: Defect/Noncompliance Report and Campaign Update Report.

OMB Control Number: 1625-0010.

Summary: Manufacturers whose products contain defects that create a substantial risk of personal injury to the public or fail to comply with an applicable Coast Guard safety standard are required to conduct defect notification and recall campaigns in accordance with 46 U.S.C. 4310. Regulations in 33 CFR 179 require manufacturers to submit certain reports to the Coast Guard concerning progress made in notifying owners and making repairs.

Need: Under 46 U.S.C. 4310(d) and (e); and 33 CFR 179.13 and 179.15, the manufacturer shall provide the Commandant of the Coast Guard with an initial report consisting of certain information about the defect notification and recall campaign being conducted and follow up reports describing progress. Upon receipt of information from a manufacturer indicating the initiation of a recall, the Recreational Boating Product Assurance Branch assigns a recall campaign number, and sends the manufacturer CG Forms CG-4917 and CG-4918 for supplying the information.

Respondents: Manufacturers of boats and certain items of ``designated'' associated equipment (inboard engines, outboard motors, or sterndrive engines).

Frequency: Quarterly.

Burden Estimate: The estimated burden has decreased from 315 to 291 hours annually.

Dated: April 28, 2008.

D.T. Glenn,  
Rear Admiral, U.S. Coast Guard, Assistant Commandant for Command,  
Control, Communications, Computers and Information Technology.
