SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

The Coast Guard invites comments on whether this information collection request should be granted based on it being necessary for the proper performance of Departmental functions. In particular, the Coast Guard would appreciate comments addressing: (1) The practical utility of the collections; (2) the accuracy of the estimated burden of the collections; (3) ways to enhance the quality, utility, and clarity of information subject to the collections; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology.

We encourage you to respond to this request by submitting comments and related materials. We will post all comments received, without change, to <http://www.regulations.gov>. They will include any personal information you provide. We have an agreement with DOT to use their DMF. Please see the paragraph on DOT's ``Privacy Act Policy'' below.

Submitting comments: If you submit a comment, please include the docket number [USCG-2008-0263], indicate the specific section of the document to which each comment applies, providing a reason for each comment. We recommend you include your name, mailing address, an e-mail address, or other contact information in the body of your document so that we can contact you if we have questions regarding your submission. You may submit your comments and material by electronic means, mail, fax, or delivery to the DMF at the address under ADDRESSES; but please submit them by only one means. If you submit them by mail or delivery, submit them in an unbound format, no larger than 8 1/2 by 11 inches, suitable for copying and electronic filing. If you submit them by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change the documents supporting this collection of information or even the underlying requirements in view of them.

Viewing comments and documents: Go to <http://www.regulations.gov> to view documents mentioned in this notice as being available in the docket. Enter the docket number for this notice [USCG-2008-0263] in the Search box, and click ``Go >>.'' Information Collection Request

Title: Applications for Private Aids to Navigation and for Class I Private Aids to Navigation on Artificial Islands/Fixed Structures.

OMB Control Number: 1625-0011.

Summary: Under provisions of 14 U.S.C. 633 and 33 U.S.C. 409, the Secretary of the Department of Homeland Security may prescribe regulations for the marking of sunken vessels. These requirements for notifying the Coast Guard are set forth in 33 CFR 64.11. The information collected for the rule can only be obtained from the owners of sunken vessels. The information collection requirements for private aids to navigation and aids to navigation on artificial islands/fixed structures are contained in 33 CFR 66.01-5 and 67.35-5, respectively.

Need: The information on these private aid applications (CG Forms 2554 and 4143) provides the Coast Guard with vital information about private aids to navigation and is essential for safe marine navigation. These forms are required under 33 CFR parts 66 and 67. The information is processed to ensure the private aid is in compliance with current regulations. Additionally, these forms provide the Coast Guard with

information which is distributed to the public to advise of new or changes to private aids to navigation.

Respondents: Owners of private aids to navigation.

Frequency: On occasion.

Burden Estimate: The estimated burden remains 3,000 hours a year.

Dated: April 28, 2006.

D.T. Glenn,
Rear Admiral, U.S. Coast Guard, Assistant Commandant for Command,
Control, Communications, Computers and Information Technology.
