May 31 Collection expiration date

2006

October 2 OMB approves scholarship forms for 18 months (through March 31, 2008). A Notice of Action (NOA) is issued. TQE program officers submit the three scholarship forms with instructions to grantees that disseminate grant-funded scholarships. The NOA states that ED must continue working toward electronically collecting scholarship information and must have the administration of the three forms in an electronic format by the next approval date.
