PAPERWORK REDUCTION ACT INFORMATION

NOAA conducts the Teacher at Sea Program in order to promote oceanographic and related education. The information obtained from the recommendation will be used in the selection of the teachers who will be accepted for participation in the program, and an application is required for acceptance. The information submitted on this form will not be treated confidentially. Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NOAA Teacher at Sea Program, 1801 Fairview Ave. E., Seattle, WA, 98102.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection displays a currently valid OMB Control Number.
