NEPSY II (Ages 5-16)

NEPSY II, 2nd Edition

Public reporting burden of this collection of information is estimated to average 12 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX).

Materials	Start	Reverse Rule	Discontinue Rule	Stop	Time Limit (Timing)
Manual Stimulus Book 1	5: Item 1 6–12: Prerequisite Items for Items 14–33 13–16: Item 17	6–12: If an incorrect response to either Prerequisite Item is provided, go to Item 1, then proceed forward. 6–16: If a score of 0 is obtained on either of the first two items administered, reverse until two consecutive scores of 1 are obtained, then proceed forward.	Discontinue after 7 consecutive scores of 0.	None	None
