Survey Questionnaire: Complementary and Alternative Medicine (CAM) Information for Health Care Providers

We're interested in learning about what information on CAM would be helpful to you as a health care professional. Your responses will be confidential and anonymous (see http://nccam.nih.gov/tools/privacy.htm). Thank you for sharing your thoughts.

CAM is a group of diverse medical and health care systems, practices, and products that are not generally considered to be part of conventional medicine. Examples of CAM include such products and practices as herbal supplements, meditation, chiropractic manipulation, and acupuncture.

1. Would the following evidence-based information on complementary and alternative medicine (CAM) be helpful to you in your practice?
   - Literature reviews on CAM modalities (e.g., acupuncture, chiropractic)
     YES   NO
   - Literature reviews on CAM modalities *for specific conditions* (e.g., acupuncture for low-back pain)   YES   NO
   - Herb-drug interactions   YES   NO

2. Would the following general information on CAM be helpful to you in your practice?
   - Definitions of CAM terms/practices   YES   NO
   - Tips for evaluating CAM practitioners   YES   NO
   - Patient fact sheets on CAM topics   YES   NO
   - CAM Use statistics   YES   NO
   - Summaries of NCCAM research highlights   YES   NO
   - FDA Alerts   YES   NO

3. What other information on CAM would be valuable to you in your practice?

4. Where do you get your information on CAM? (Please specify.)

5. Do you receive health information for your practice via: (Check all that apply.)
   - Audio podcasts
   - Video podcasts
   - Online CMEs
   - Mobile Web devices

Thank you for helping us by completing this questionnaire. If you wish to provide further comments, please e-mail them to info@nccam.nih.gov or write the NCCAM Clearinghouse, P.O. Box 7923, Gaithersburg, MD 20898-7923.
