Privacy Act Notice

PAPERWORK/PRIVACY ACT NOTICE: The Social Security Administration is authorized to collect the information on this form under section 205(a) of the Social Security Act. While it is voluntary for you to furnish the information, we may not be able to pay benefits to your spouse unless you give us this information.

We may also use the information you give as when we match records by computer. Matching programs compare our records with those of other Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it.

Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security offices. If you want to learn more about this, contact any Social Security office.

Paperwork Reduction Act Statement - This information collection meets the requirements of 44 U.S.C. §3507, as amended by Section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take about 5 minutes to read the instructions, gather the facts, and answer the questions. SEND THE COMPLETED FORM TO YOUR LOCAL SOCIAL SECURITY OFFICE. The office is listed under U. S. Government agencies in your telephone directory or you may call Social Security at 1-800-772-1213 (TTY 1-800-325-0778). You may send comments on our time estimate above to: SSA, 6401 Security Blvd., Baltimore, MD 21235-6401. Send only comments relating to our time estimate to this address, not the completed form.

The following revised Privacy Act Statement will be inserted into the form at its next scheduled reprinting:

Privacy Act Statement

Collection and Use of Personal Information

Section 205(a) of the Social Security Act, as amended, authorizes us to collect this information. The information you provide will be used to determine the identity of your spouse.

The information you furnish on this form is voluntary. However, failure to provide the requested information may prevent us from paying benefits to your spouse.

We rarely use the information you supply for any purpose other than for determining the identity of a spouse. However, we may use it for the administration and integrity of Social Security programs. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to the following:

- 1. To enable a third party or an agency to assist Social Security in establishing rights to Social Security benefits and/or coverage;
- 2. To comply with Federal laws requiring the release of information from Social Security records (e.g., to the Government Accountability Office and Department of Veterans' Affairs);
- 3. To make determinations for eligibility in similar health and income maintenance programs at the Federal, state and local level; and
- 4. To facilitate statistical research and audit activities necessary to assure the integrity and improvement of Social Security programs (e.g., to the Bureau of the Census and private concerns under contract to Social Security).

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, state or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for Federally funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.

Additional information regarding this form, routine uses of information, and our programs and systems, is available on-line at www.ssa.gov or at your local Social Security office.
