Fulbright Teacher Exchange Program Application and Instructions

Applicants are strongly encouraged to apply on-line at www.fulbrightexchanges.org. If you choose to apply using the paper application, please read our website (www.fulbrightexchanges.org) carefully before completing the application. Be sure that you meet eligibility requirements for the program as well as the specific requirements of each country and type of exchange for which you apply. The application forms may be photocopied for interested colleagues, and applications may be submitted on photocopied forms; however, applications must bear original signatures.

Applications are not considered until all of the forms listed on the "Application Checklist" (*Page Ai*) are completed properly and received by the Fulbright Teacher Exchange Program.

Those applying for teaching and administrative exchanges, and summer seminars should complete pages Aii - A5 of the application and sign the terms of agreement on page A7. *All forms and recommendations on the checklist must be submitted by the October 15 deadline.*

Applicants for special short programs should complete only pages Aii and sections, I, II, IV, V, VI, VII, IX, X and XIII of the application and submit by the special program's deadline.

Mailing Address

Applications, references, related documentation, and all future communication should be sent to:

Fulbright Teacher Exchange Program 600 Maryland Avenue, SW, Suite 320 Washington, DC 20024-2520 fulbright@grad.usda.gov 202.314.3520

Special Instructions: J. William Fulbright Foreign Scholarship Form

This page, Aii, follows the Application Checklist page. It must be completed and returned along with your application. In section L, you should provide a brief description of what you expect to gain professionally and personally from participation in the Program. This form MUST be typed.

"Interview Sites"

Select two cities from page Aiii of the booklet and indicate their code numbers and city names on page A1 of the application. Interview dates are set by the interview committee chairperson for each site. You will be informed of the site and date of the interview for which you have been scheduled (most applicants are scheduled for an interview at their first choice site). You are responsible for attending the interview on the scheduled date.

Application (pp. A1 to A7)

While typing is preferred, application forms may be completed in black or blue ink. If additional space is needed, enter information in Item XIV, "Remarks," or use additional sheets. Place your name and date of birth at the top of each additional sheet, and identify the item number to which the answer applies. Fill out the application forms completely; use additional sheets for continuation purposes only. **Do not send your résumé or simply say "see attached."**

Sign page A7 and forward the original of pages A1 through A7 (and any additional sheets), along with the original of the essay to the Fulbright Teacher Exchange Program.

I. "Applicant Basic Data" (p. A1)

For Question E, indicate the academic year(s) for which you applied, whether or not you received an exchange or seminar grant that year. Please note that Questions I and J, "Ethnicity/Race" are optional and are collected for statistical purposes only.

II. "Application For..." (p. A1)

Before choosing a country for an exchange or seminar, be sure to read the eligibility requirements for that country's program on the Teacher Exchanges & Summer Seminars section of our website.

List your country choices in order of preference. Do not request more than one country on each line except in the case of the United Kingdom, where England, Scotland, Northern Ireland or Wales may be listed in order of preference on the same line.

Unless you answer "No" to Question D, you will be considered for any country for which you are eligible.

If you answer "Yes" to Question E you will be considered for a one-way assignment should a suitable assignment become available. One-way assignments are very rare and up to five per year may be available depending on funding and interest by a particular country. A U.S. applicant may not apply directly for a one-way assignment.

III. "Modern Foreign Language Fluency" (p. A2)

Indicate your proficiency in languages other than English. You will be screened for verbal proficiency if:

- · you teach French, German or Spanish;
- · languages are required for countries you select;
- languages you list are spoken in participating countries, and you rate yourself "good" or "excellent."

V. "Present Employment" (p. A2)

The approving administrative official listed under Question E must be the same as the person completing the "Administrative Approval for Applicant" form (*Page A11*).

VI. "Daily Schedule for Current Year" (p. A3)

To enable accurate matching, teachers are asked to describe fully their current teaching assignments. Please write this directly on the application, using an additional sheet for continuation purposes only.

X. "School or College Information" (p. A5)

Information on the schools of applicants is critical to finding suitable matches. This section should be filled out thoughtfully and completely. Use additional sheets if necessary.

XI. "Accommodations" (p. A5)

Please answer all questions if you wish to exchange housing. Note: Housing is a private matter between grantees in which the United States Department of State will not become involved. For direct exchanges, teachers are expected to locate suitable housing for their partner and vice-versa before going on exchange. Fulbright recommends the following options when making housing determinations: 1) finding housing on your own in the open market with suggestions from your exchange partner; 2) asking your exchange partner to locate local, in-country rental options that might meet your needs; 3) exchanging housing with your partner. The Fulbright program reserves the right to request termination of an exchange should housing issues significantly affect how the professional exchange is conducted. Any problems arising from a housing situation into which an individual grantee has entered are the sole responsibility of the grantee and not of the Fulbright program.

Application (pp. A11 to A17)

Pages A11 to A17 are approval and reference forms. The applicant should complete Item 1 on each form and then give them to the appropriate colleagues or officials. All four of these forms must be submitted with your application. These forms must be filled out completely, and not simply signed. Include them in your application package in sealed envelopes signed across the back of the envelope flap. If your school district requires the Administrative Approval form to be sent under separate cover, indicate this on the "Application Checklist."

DS-4502 Instruction page 2 of 3

"Administrative Approval for Applicant" (p. A11)

Administrative Approval forms (p. A11) are due by October 15, 2008. The official who completes and signs the "Administrative Approval for Applicant" form must be the official authorized to approve participation in the exchange, grant a leave of absence, and approve the appropriate salary arrangements. (For year and semester programs, the "with salary" box must be checked, or the application will not be considered. For short term programs occurring during the school year, we recommend that approval be given "with salary." If the "with salary" box is not checked, the applicant must explain on a separate sheet how she or he will fund participation. For summer seminars "without salary" is appropriate. For one-way assignments, either selection is appropriate) Within public school systems, administrative approval must come from the district level (e.g. usually the superintendent). If the approval is pending board confirmation after October 15, 2008, please notify the Fulbright Program in writing at the above address.

The administrative approval form may be submitted in a sealed envelope signed across the back by the administrator. It may be submitted separately or as part of the application, but it must be sent no later than October 15, 2008. However it is submitted, applicants are strongly encouraged to discuss their application to the program with their administrator in advance of applying and should be aware that their application will not be considered without receipt of this approval. Applicants who do not file an administrative approval form in a timely manner or whose administrator has denied approval will be informed of this omission or denial by letter.

Reference Forms (pp. A13, A15 and A17)

All reference forms are due by October 15, 2008. The references should be completed and signed by individuals familiar with the applicant's professional work. One of these forms (the "Immediate Supervisor Reference for Applicant") must be completed by the applicant's immediate supervisor or the person responsible for the applicant's formal evaluation. The Supervisor must also provide a general description of the school on the reverse of this form. Persons writing references should place the reference form in a sealed envelope signed across the back and clearly marked "Reference for (applicant's name)." Sealed and signed references must be included in your application package. Applicants should not include performance evaluations with their applications. Other commendations and awards may be listed in Item VII, Question D, on Page A3.

In general, we prefer that the entire application packet (including application, essay, references) be submitted to our office in one complete packet when possible.

Miscellaneous

Applicants must inform the Fulbright Teacher Exchange Program in writing of:

- a change of address or phone number;
- a change of plans affecting the application;
- · a desire to withdraw the application;
- an application to teach or study abroad under another program;
- · a termination of teaching contract;
- · a change in assignment or school administration.

About The Fulbright Teacher Exchange Program

The purpose of the Fulbright Teacher Exchange Program is to help promote mutual understanding between the people of the United States and the people of other countries through educational exchange. Teachers and administrators participating in the program have the opportunity to live and work abroad by exchanging positions with educators from similar institutions in over twenty countries. Teachers may also apply to attend summer seminars or special short programs.

Fulbright exchange teachers usually exchange positions with foreign teachers for an academic year. By living and working in the cultures of their host countries, they gain an understanding and appreciation of the similarities and the differences between nations. If your teacher is proposed for an exchange, you will have the opportunity to review the credentials of the foreign teacher and to accept or reject the proposed exchange arrangement. In order for an exchange to take place it must be accepted by the U.S. teacher, the U.S. administrators, and the foreign teacher, and the foreign administrators, and must be approved by the J. William Fulbright Foreign Scholarship Board (FSB). At the time of this application your signature on the reverse administrative approval form simply enables your teacher to be eligible for the program and indicates your willingness to consider a Fulbright Teacher Exchange at your school/college.

The success of the Fulbright Teacher Exchange Program in increasing international understanding and properly representing the educational system and other aspects of American life and culture depends greatly upon the exercise of judgment by school administrators in approving their teachers'/administrators' participation in the program. It is important to the reputation of the program and the American educational system, as well as that of the participating school, that an applicant be approved for participation only if the approving official has no reservations about his or her character, reliability, and judges him or her to have superior qualifications and to be an excellent representative of American education.

Most exchanges occur with both U.S. teachers and foreign teachers receiving their regular salaries from their home schools while teaching and living abroad, though specific arrangements vary for each country. U.S. schools will not be asked to pay the salaries of the foreign exchange teachers. Housing arrangements are the responsibility of the teachers involved.

Both the U.S. and the foreign teacher will be provided with a limited medical insurance policy by the U.S. government. However, your teacher should continue his or her current coverage from your school, and we encourage you to consider including your foreign teacher and any accompanying family members in your local group health plan.
