Request for a Change to OMB Collection 1670-0007**

The request for a change to OMB Collection 1670-0007 is limited to DHS Form 9012. There is no change to the estimated burden for this form. There is no change to the PII being collected with this form.

Table of Changes:

| Location | Old | New |
|------------------------------------|---|---|
| N/A | The form was a non-disclosure agreement executed between DHS and the individual completing the NDA. | The form now is a CVI Authorized User application. |
| Preamble to affirmative statements | A series of paragraphs that outlined the legalities associated with the non-disclosure form. | <p>Instructions that read as follows: Please complete the CVI Training, read and affirm the statements, and complete the Authorized User application below. Failure to not fully complete the application will result in your application to be a CVI Authorized User not being considered.</p> <p>DHS will review the application, and if approved, provide to you a unique CVI Authorized User number to confirm your status.</p> |
| Affirmation statements | List of 17 affirmative statements | List of three affirmative statements. |
