<p>Other change** This package is currently active and set to expire 08/31/2011. Based on the change in the Higher Education Opportunity Act of 2008 (Pub.L.110-315), we are required to modify the current GAANN application package. The Higher Education Opportunity Act calls for amending section 711 (a)(1) and section 712 (a) of the GAANN statute by inserting "including a master's or doctoral degree," after "leading to a graduate degree."</p> <p>This change will clearly define what constitutes a graduate degree. Previously, the GAANN program only permitted doctoral programs to apply for a GAANN grant award. However, the newly adopted language will make it clear that both master's degree and doctoral degree granting programs will be eligible to apply for a GAANN grant. The GAANN application package has been modified to reflect this change.</p> <p>The burden hours will remain the same once this change has been included in the application package.</p>
