The U.S. Department of Agriculture collects and publishes information on prices farmers receive for agricultural commodities. This information is used in estimation of farm income, the computation of counter-cyclical payments, State tax projections and rates, and for price studies and analysis of returns from various crops.

This survey is voluntary. Individual reports are combined to estimate State and U.S. prices. Information from individual reports is kept strictly confidential. Please fax your report or mail it in the enclosed postage paid envelope. Thank you.

Please make corrections to name, address and Zip Code, if necessary.

Please fax 1-888-478-5637 or mail by June 16.
