We're interviewing WIC participants, including yourself, all around the country. Your child's name was randomly chosen and your answers will be kept confidential and grouped with other people's answers, so neither the Food and Nutrition Service nor your local agency will ever know your specific answers. Nothing you say will change your child's benefits. The survey shouldn't take all that long. You are not required to answer any question, and you can end the interview at any time. I'd really like to do the survey now. However, if now is inconvenient, we could schedule a different time.

Public reporting burden for this collection of information is estimated to average 24 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Services, Office of Research and Analysis, Room 1014, Alexandria, VA 22302 ATTN: PRA (0584-0484).

The questions I am going to ask are about your satisfaction and experiences with WIC. This takes about 20 minutes and your feedback will be grouped together with answers from other people. Since your answers are confidential, nothing you say will change your benefits.

PART 3: TELEPHONE SCREENER FOR IN-HOME AUDIT (Version B)

IF R. HAS BEEN CHOSEN FOR IN-HOME AUDIT, READ:

Thank you so much for your help in answering this survey. Your feedback, combined with other confidential responses, will really help improve the WIC program.

SCREENER

SA. Our contract with USDA's WIC asks us to randomly select **half** of the people who complete the telephone survey to see if we can ask you some additional questions at your home. This would take 30 minutes or less and you would receive \$20 for your time. Again, your answers will be confidential and not have any effect on your child's benefits, either good or bad. The purpose of the in-home interview would be to ask about who makes up your family group and to understand more about your family's income and expenses -- as a way of better understanding people's needs...

Is there a time you would be available? For example, would you be free at... [INTERVIEWER SET TIME/DATE]?

- YES [SKIP TO SD]
- NO, NOT FREE AT THAT TIME [SKIP TO SC]
- NO, REFUSAL [CONTINUE]
- SB. Can I ask why you don't want to participate? While the in-home interview is voluntary, it only takes a bit of your time and is a great way to make \$20, paid in cash. Again, your responses will be anonymous and will not affect your WIC benefits in any way. We can set a time that works with your schedule.
- SC. When would be a good time for you?
 - LET R. SUGGEST TIME/DATE AND NEGOTIATE AS INTERVIEWER'S SCHEDULE PERMITS. THEN SKIP TO SD
 - IF R. STILL REFUSES, ASK THE FOLLOWING QUESTION: I'm sorry you don't wish to participate in the study. For statistical purposes only, I need to know if you still live at [READ ADDRESS FROM P1], or if you have moved?

NOT MOVED [THANK & TERMINATE]
MOVED [ASK: Do you now live in another state?]
a. YES [THANK & TERMINATE]
b. NO [CONTINUE]

- When you changed addresses, did you also have to use a new WIC agency or could you use the same one as before?
 - a. NEW AGENCY [THANK & TERMINATE]
 - b. Same agency as before [THANK & TERMINATE]

- SD. Great. Let me just confirm your address and telephone number(s).
 - READ ADDRESS & TELPHONE NUMBER ON FILE. IF ADDRESS IS CORRECT MOVE TO SE. IF DIFFERENT SAY:
 - I see that you've moved. When you moved, did you [READ]:
 Move within the same area so that you could use the same WIC agency or
 Move to a different area with a new WIC agency?
- SE. ASK: Is there a second telephone number where you can also be reached? IF YES, RECORD IT.
- SF. TELL RESPONDENT YOU WILL CONFIRM THE APPOINTMENT A DAY OR TWO AHEAD OF TIME AND MAKE SURE THEY ARE IN ACCORD.

VERSION B: INFANTS & CHILDREN 2-20-09

IN-HOME AUDIT [INTERVIEWER WILL CARRY MACRO IDENTIFICATION]

Public reporting burden for this collection of information is estimated to average 24 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Services, Office of Research and Analysis, Room 1014, Alexandria, VA 22302 ATTN: PRA (0584-0484).

1. Hi. Thanks for agreeing to do the second part of our survey. Your answers are completely confidential and, as I mentioned when we set this up, nothing you say will have any bearing on your benefits. The WIC program is just trying to get a better idea of who participates in the program and their circumstances. At the end, I will be giving you \$20 in appreciation of your time.

 The first thing we need is some identification for the child—silly as it may seem—and proof that you live here. [IF R. HAS TROUBLE WITH THIS REQUEST, READ OFF SOME OF THE ACCEPTABLE TYPES OF ID AND RESIDENCY PROOF FROM LIST.]

INCOME ELIGIBILITY

12. Now I am going to ask you about the income earned by you and other primary members of this household. WIC is interested in the accuracy of their data records in this area. So let's start with [READ NAME OFF LIST OF PRIMARY ECONOMIC UNIT]
