From: Commanding General  
To: Distribution List

Subj: THIRTIETH MARINE CORPS MARATHON (MCM)

Ref: (a) MCM OPLAN 1-04

Encl: (1) Marine Corps Marathon Task Organization  
(2) Memorandum of Understanding Support

1. Purpose. To publish information about the 30th MCM and to solicit appointments of Special Project Officers (SPO) to augment MCM Operations.

2. Background. The MCM is the Marine Corps' largest annual community relation's event. The MCM promotes physical fitness, directs the public's attention to the Marine Corps, and promotes a spirit of community involvement. This race is ranked as one of the largest marathons in the country and is known for its exceptional organization. The reference provides operational guidance for project officers. Enclosure (1) outlines task organization for planning, coordination, and execution of assigned missions. Enclosure (2) identifies historical personnel support and forges an agreement with the MCM and additional units to provide assistance.

3. Information

a. The 30th MCM will be held on 30 October 2005. The registration of 30,000 runners will produce 25,000 participants on race day. Other events associated with the MCM are:
