

PATIENT SAFETY ORGANIZATION INFORMATION FORM

Completion of this form is voluntary and provides information to the Department of Health and Human Services on the types of healthcare settings with which Patient Safety Organizations are working to conduct patient safety activities. This form is designed to collect data to report aggregate statistics on the impact of the Patient Safety and Quality Improvement Act of 2005 (Act); no PSO-specific data will be released. **Please report data for the year 2008. If more convenient, the PSO may provide requested data in a word processed document or spreadsheet. Regardless, the PSO must complete and submit part 3 of this form. Submit this form/data by February 15, 2009.**

NAME – PATIENT SAFETY ORGANIZATION:

- | | Number |
|--|---------------|
| 1 (a). During 2008, with how many provider organizations did the PSO have a contract or agreement for services pursuant to the Act? Count each contract or agreement only once regardless of how many facilities each contract or agreement covered. | _____ |
| 1 (b). From how many of these provider organizations did the PSO receive PSWP, at any time during 2008? | _____ |
| 1 (c). During 2008, from how many provider organizations with which the PSO did not have a contract or agreement to receive PSWP did it receive PSWP? If none, enter "none." | _____ |

- 2 (a). For purposes of completing the following table, please count each discrete facility covered by a contract or agreement to receive PSWP at any time during 2008. For example, if the PSO had a contract or agreement to receive PSWP from a chain of hospitals, count each hospital. Assign each discrete facility to only one of the following categories.
- 2 (b). For each facility counted, provide the first 3 digits of its Zipcode. If there are 2 facilities in a category with the same first 3-digit Zipcode, for example, enter that Zipcode 2 times.
