Select access rights for the new FAA user for TG50878

SAIG-FAA Enrollment Form - CPS 2005-2006

As the destination point administrator, you may select below the desired combination of service options/access rights/institutions for a FAA user. When you have completed the selection of access rights, press "Update" to assign the rights.

- Use the "Duplicate DPA Rights" button to have the FAA User rights mirror the destination point administrator rights
- Use the "Apply to all institutions" button to assign the same service options and access rights for all institutions that do not necessarily mirror the DPA
- Use the "Clear all FAA access rights" button to clear all access rights for the FAA User

[Duplicate DPA access rights]

If you want to assign access rights that do not mirror the DPA rights, you may use this section. You may choose to initially select to mirror the DPA, then change access rights or institutions below. Or you may select to assign the same access rights for all institutions for a service and then modify.

To apply the same access rights for all institutions, select the service option and choose the access rights from the selections below. When finished, click "Apply to all institutions".
