

DO NOT MAIL THIS WORKSHEET.

You must complete and submit a *Free Application for Federal Student Aid* (FAFSA) to apply for federal student aid and to apply for most state and college aid. Applying online with *FAFSA on the Web* at www.fafsa.ed.gov is faster and easier than using a paper FAFSA.

For state or college aid, the deadline may be as early as January 2009. See the table to the right for state deadlines. Check with your high school counselor or your college's financial aid administrator about other deadlines.

- **This Worksheet is optional and should only be completed if you plan to use *FAFSA on the Web*.**
- Sections in purple are for parent information.
- In parentheses after each question is the number that is used on *FAFSA on the Web* and the paper FAFSA. However, not all of the questions appear on this worksheet.
- **Submit your FAFSA early, but not before January 1, 2009.**

Apply Faster--Sign your FAFSA with a Federal Student Aid PIN.

If you do not have a PIN, you can apply for one at www.pin.ed.gov. Your PIN allows you to electronically sign when you submit your FAFSA. *If you are providing parent information, one parent must also sign your FAFSA. To sign electronically, your parent should also apply for a PIN.*

You will need the following information to complete this Worksheet:

- Your Social Security Number and your parents' Social Security Numbers if you are providing parent information;
- Your driver's license number if you have one;
- Your Alien Registration Number if you are not a U.S. citizen;
- 2008 federal tax information or tax returns (including IRS W-2 information) for yourself (and spouse if you are married) and for your parents if you are providing parent information. If you have not yet filed a 2008 income tax return, you can still submit your FAFSA but you must provide income and tax information.
- Records of untaxed income, such as Social Security benefits, welfare benefits (e.g., TANF), and veterans benefits, for yourself, and your parents if you are providing parent information; and
- Information on savings, investments, and business and farm assets for yourself, and your parents if you are providing parent information.

WARNING!

Be wary of organizations that charge a fee to submit your application or to find you money for college. In general, the help you pay for can be obtained for free from your college or from Federal Student Aid.

NOTE:

If you or your family have unusual circumstances (such as loss of employment), complete *FAFSA on the Web* to the extent you can, then submit the application and consult the financial aid office at the college you plan to attend.
