

# **SCHEDULE OF CURRENT ORDERBOOK CONSTRUCTION**

**U.S. Department of Transportation  
Maritime Administration**

This collection of information is to be used primarily to fulfill the requirements of 46 App. U.S.C. 1120 and 1121 regarding shipyards and related activities and to determine if an adequate mobilization base exists for national defense and for use in a national emergency. A number of reports are produced using this information. While you are not required to respond, your cooperation is needed to make the results of this survey comprehensive, accurate and timely. Reporting burden of this collection of information is estimated to average 30 minutes per response. Send comments regarding this burden estimate or any other aspect of this information collection to the Maritime Administration, Office of Management and Information Services, 400 Seventh Street, S.W., Room 7301, Washington, DC 20590. Response to this collection is voluntary. Without the information MARAD would not be able to produce the reports. Agency policy is to limit access to the specific information.

Note: An Agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.
