

2007 - 2008 Biennial Review

of Defense Agencies and DoD Field Activities

ID: TMA00422422

You have been nominated to help us with the Biennial Review of Defense Agencies and DoD Field Activities. With your help, we'll be able to determine how well the products and services provided by agencies and field activities meet the needs of the organizations they serve. Each agency and activity has organized their mission into one or more business lines. You have been nominated as a person knowledgeable about the following business line:

Agency/Activity: TRICARE Management Activity

Business Line: Management and delivery of the integrated TRICARE health benefit program and support for other Military Health System mission essential tasks

This business line includes these products and services:

- Adaptable purchased care contracts that deliver an integrated, high-quality, evidence-based health services and support for evolving operational health and homeland defense capabilities
- Beneficiary and provider education for enhanced patient-provider relationships
- Focused consultations with both military treatment facility and private sector TRICARE providers for integration of health care delivery systems and better care and continuity
- Effective oversight and performance management of the TRICARE program for optimal delivery systems, patient satisfaction, health care and financial outcomes
- Policy and programmatic support for the Service medical departments to ensure delivery of consistent, high quality health care services and benefits, and that forces are medically ready to deploy; their performance is enhanced during and after military operations; and that death, injuries and diseases are reduced and function is restored
- Development of policy and programs to counter medical threats for both the force and communities
- Accurate budgeting that predicts what it will cost to provide care for all beneficiaries entrusted to the Military Health System
- Management and execution of the Defense Health Program (DHP) appropriation and the DoD Unified Medical
 Program
- Leadership and oversight for a range of quality assessment/quality improvement, patient safety, and population-based health management programs across the Military Health System
- Analysis and evaluation of Military Health System performance to support better decision making
- Continuous optimization of the TRICARE health benefit in accordance with new legislation and leadership direction
- Accurate and timely processing of purchased care claims
