New information
(beyond the
1/26 response)

SAMPLE COUNT: 11,064

Legend:

Bold indicates non-Fed customers; grey indicates only Fed; regular font indicates TBD.
PDF samples of surveys are provided for those business lines with non-Fed customers.

NOTES:

* Sample counts include "seeded" records (Giambo and Ogren)

Also, in some cases customers may be added to the sample (as ad hoc requests come in)

** This was determined by a human review of email addresses and postal addresses.

*** Products and services are considered classified info. Will need to set up special procedures for review.
