APPENDIX C RECIPIENT-LEVEL DATA ITEMS

Unemployment insurance (UI) data will be requested from sample states for *all* individuals who received a first payment from your state for a benefit year beginning between August 1, 2002, and March 31, 2005. The data should include all types of claims—regular, state, UI, UCFE, UCX, and CWC. These data will be used to select the TAA and comparison samples. The data requested will be:

Name

Address

Telephone number

Social security number

Demographic Information

Gender

Date of birth

Race/ethnicity

Job Characteristics

Base-period earnings

Industry of main base-period employer

Weeks worked in the base period (if available)
