Dear Reporter:

We need your help in setting county acreage, yield, and production estimates for Kansas. Your response to this survey will increase the accuracy of these estimates and provide a valuable service to the agricultural community. Please mail your completed report in the enclosed envelope by November 9.

Response to this survey is voluntary and not required by law. However, your cooperation in answering this questionnaire is very important. Your report will be kept confidential.

Please make corrections to name, address and Zip Code, if necessary. This form may also be faxed to 785-233-2518.

Thank you for your cooperation.
