The information requested in this survey will be used to prepare estimates of mint acreage, production, and price for the 2008 crop in Idaho, Oregon, and Washington. Your voluntary report will be very helpful in setting these estimates. The information you provide will be held in strict confidence, and data will be used only in combination with other reports to set State level estimates. Thank you for your cooperation.

Please make corrections to name, address and Zip Code, if necessary.
