We need your help to make Texas livestock estimates as accurate as possible. Your report is important and necessary so that we provide reliable agricultural information for your use.

Information from this survey will be used to develop estimates of livestock inventory and production for Texas Counties.

Individual reports are kept **confidential**. Response to this survey is voluntary and not required by law.

Please make corrections to name, address and Zip Code, if necessary.

If the person listed above no longer operates a farm or ranch, please complete item 16 on back and return this form.
